The City of Lynn proposes an amendment to its FY23 Action Plan to allocate \$400,000.00 towards the Grand Army of the Republic (G.A.R.) Hall and Museum Accessibility Improvement project. A public hearing was held on May 9, 2023 and a public comment period was made available (and advertised) during the time period April 26, 2023 through May 26, 2023. The following documents were considered in the development of the proposed amendment and were made available for public review; March 1, 2023 Request for funding from Michael Donovan, Chief ISD/Building Commissioner, Budget Details, Initial Plans dated February 2023, and the 2022 Grand Army of the Republic Hall & Museum Comprehensive Capital Needs Assessment. The proposed amendment received support of the Lynn City Council, Office of Community Development, GAR Trustee, and one Lynn resident. No comments in opposition of the proposed amendment were received during the comment period or heard at the public hearing.

Please note 2022 Grand Army of the Republic Hall & Museum Comprehensive Capital Needs Assessment not attached to this document due to file size. This can be provided separately, as requested.

Currently the G.A.R. Hall and Museum is used for public programming and operates as a public museum, however visitation and use is low and restricted as its current physical state provides limited accessibility. CDBG funds in the amount of \$400,000.00 will be allocated to the renovation project for accessibility improvements. CDBG funds will leverage \$1.2M in ARPA funds secured by the Trustees of the G.A.R. as well as private fundraising dollars and a loan to the Trustees of the G.A.R. for approximately \$200,000.00 from The Economic Development & Industrial Corporation of Lynn (EDIC/Lynn). Once complete the facility will be accessible to all Lynn residents resulting in increased visitation and use for civic engagement and educational resource programming, Veterans programming, field trip opportunities for the Lynn Public Schools, and community event programming. The completed accessibility improvements will provide a City wide benefit to all residents of the City of Lynn, a majority of whom (59%) are low to moderate income individuals. The project will meet the National Objective of benefitting low and moderate income persons on an area wide basis (citywide); 24 CFR 570.208(a)(1) with a presumed direct benefit to disabled individuals, as CDBG funds will be used for an activity that assist persons with disabilities by removing architectural barriers from or providing ADA improvements.

This amendment is to add an activity, the GAR Hall and Museum Accessibility Improvement Project, to the FY23 (FFY22) Annual Action Plan. The amendment does not involve an allocation of new funding or a shift in goals. There is no change to the estimated percentage of funds that will be used for activities that benefit low- and moderate-income persons.

Approval of this amendment was received on July 21, 2023.

Annual Action Plan
2022

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

This Annual Action Plan for the City of Lynn, Massachusetts covers City Fiscal Year 2023 (Federal Fiscal Year 2022). Table 5 summarizes the estimated resources that the City of Lynn plans to utilize to implement the Annual Action Plan activities described herein. This includes \$3,411,150.00 in Federal Fiscal Year (FFY) 2022 entitlement funds that the City expects to receive. An estimated \$185,000.00 in program income will also be utilized to fund targeted housing, economic development and community development activities.

The impact of the projected entitlement program funds will be enhanced by additional private sector, foundation, and federal, state and local government funds. As part of the process for distributing entitlement funds, the City requests information from prospective grantees regarding other funding sources. Over the course of the five-year Consolidated Plan cycle, the City will continue to emphasize leveraging other funds so that limited entitlement funds achieve maximum impact and produce maximum benefits for Lynn's low and moderate income households.

In addition to entitlement funds, City agencies and providers receive funding from the McKinney-Vento/HEARTH Act funded grants and other public and private resources in order to reduce homelessness and address the needs of this population.

Funding for public housing and leased housing programs is received and administered by the Lynn Housing Authority & Neighborhood Development (LHAND). Note that all amounts are preliminary and subject to change based on HUD and Congressional action. Note also that budgets for other housing authorities which lease units in Lynn through the Housing Choice Voucher Program are not included in these figures.

Extensive other resources will be allocated to support housing, economic development and community development activities over the course of the Annual Action Plan. The Sources of Funds table in the Attachment provides a partial listing of other funding sources that address Lynn's housing, economic and community development needs and/or support the activities funded through the CDBG and ESG entitlement grant programs.

2. Summarize the objectives and outcomes identified in the Plan

Annual Action Plan
2022

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Ten strategic goals have been identified through the Consolidated Plan and Annual Action Plan process. The goals encompass a wide array of interrelated strategies to address the Lynn community's priority needs related to housing, community and economic development. Please see Section ES-05 of the FFY 2020-2024 Consolidated Plan.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Lynn is the grantee for the CDBG, HOME, and ESG programs. Planning and administration of all non-housing activities including economic development, community development, public services, and infrastructure and community facilities is the responsibility of the City's Department of Community Development (DCD). Lynn DCD directly administers economic and community development programs and provides oversight and monitoring for sub-recipients of non-housing funds. Planning and administration of all housing related activities funded through the formula programs is the responsibility of the Lynn Housing Authority & Neighborhood Development (LHAND). LHAND, as a sub-recipient,

directly administers housing programs and provides oversight and monitoring for other sub-recipients of housing funds.

DCD and LHAND negotiate formal, performance-based contracts with all sub-recipients. Performance-based contracts include specific performance goals related to the Consolidated Plan and Annual Action Plan strategic objectives, along with reporting requirements related to participation rates and low-moderate income household participation.

While resources are inadequate to meet community needs including mitigating the impacts of the global pandemic, the CDBG, HOME and ESG programs continue to make a substantial positive impact on the quality of life in Lynn. Each year, the City provides an analysis of its performance in meeting the Consolidated Plan goals and objectives including detailed information on households served, housing units rehabilitated, jobs retained or added, businesses assisted and other pertinent information. The FY23 Annual Plan included in Part II provides updated information. The City also produces Consolidated Annual Performance and Evaluation Reports (CAPER) with similar information.

The City's ongoing evaluation of recent performance, including an assessment of strategies that have achieved desired community outcomes, helped shape the strategies identified in the Plan.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Consolidated Plan and Annual Action Plan was developed through an ongoing collaborative process involving hundreds of citizens and stakeholders from throughout the community, and that built on an extensive series of master planning and other activities involving community participation and consultation. For example, hundreds of Lynn residents and stakeholders participated in the 2019 Lynn City Summit and/or in activities leading up to publication of the “Housing Lynn” report in early 2021, and the strategies and recommendations from those processes are reflected in the Consolidated Plan. While the COVID-19 pandemic placed limitations on large in-person public meetings, intensive outreach efforts were made using local media, websites, email and direct mail to engage all segments of the community including low and moderate income households, agency providers, business owners, homeless and disability service organizations and other stakeholders.

Among the many community consultations reflected in the Consolidated Plan and Annual Action Plan, the City sponsored two virtual Community Forum events in coordination with the Citizen Advisory Board and one agency/stakeholder focus group discussion, and other group and individual stakeholder meetings to develop the Needs Assessment, Housing Market Analysis and Strategic Plan. An online survey of community needs and priorities was completed by 79 community members. The Lynn Continuum of Care, Lynn Chamber of Commerce and other key stakeholder groups were consulted.

The Plan also incorporates recent/relevant studies and analyses from the Boston Region Metropolitan Planning Organization (MPO), Metropolitan Area Planning Council (MAPC), North Shore Workforce Investment Board, MassDevelopment's Transformative Development Initiative (TDI), and others. Many of these studies included community participation and consultation as part of their methodologies.

The City's long-term strategic objectives include implementing plans and recommendations that emerged from the “Housing Lynn” initiative and several major, master planning efforts for the Downtown (including the Lynn Downtown Vision Plan, Lynn Downtown Action Strategy, and Transformative Development Initiative), Transportation, Waterfront, Harbor, Market Street Gateway and Washington Street Gateway Districts. Each of these master planning efforts involved community participation and stakeholder input which has been considered and incorporated into the Consolidated Plan.

A public hearing was held before the Citizens Advisory Board on Tuesday, March 8 at 6:00 pm at the Lynn Housing Authority & Neighborhood Development (LHAND) office at 10 Church Street. The Hearing was held to provide an overview of entitlement grants activities undertaken during the prior year and to solicit public input with regard to the City's proposed FY23 Action Plan including the presentation of proposal applications and the solicitation of citizen comments on the development of community needs

and funding activities. An advertisement was placed in the Daily Item on January 24, 2022 notifying the public of the hearing date and time and the availability of proposal applications. Approximately 50 people attended the March 8th hearing during which representatives from twenty organizations presented summaries of their proposals to the Citizens Advisory Board.

In addition, a public hearing was held before the Lynn City Council on Tuesday, June 28, 2022 at 5:30 p.m. at the Lynn City Hall, Council Chamber to discuss the proposed funding activities for City Fiscal Year 2023. An advertisement was placed in the Daily Item on June 10, 2022 notifying the public of the hearing. Approximately 30 people were in attendance. A council vote in favor of the proposed FY23 Annual Action Plan was taken.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

At the June 28th public hearing before the Lynn City Council, Ward 2 Councilor Richard Starbard commented on the proposed funding to be allocated towards housing related activities. Councilor Starbard expressed a concern that increased funding for housing related activities reduces funding allocated towards much needed park and playground improvement projects as well as funding to public service agencies.

These comments were considered in the development of this plan.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments were considered in the development of the Annual Action Plan and are attached to this Plan.

7. Summary

Please see the discussion above.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	LYNN	Department of Community Development
HOME Administrator	LYNN	Department of Community Development
ESG Administrator	LYNN	Department of Community Development

Table 1 – Responsible Agencies

Narrative (optional)

The City of Lynn (City), through the Department of Community Development (DCD), is the grantee and lead agency responsible for administering the CDBG, HOME and ESG entitlement programs and preparing the Consolidated Plan and Annual Action Plans. DCD plans and administers all non-housing activities including economic development, community development, public services, infrastructure, and community facilities. DCD directly administers economic and community development programs and provides oversight and monitoring for sub-recipients of non-housing funds.

Pursuant to a Memorandum of Understanding between the City and the Lynn Housing Authority & Neighborhood Development (LHAND), LHAND is responsible for planning and administering all housing related activities funded through the formula programs. LHAND, as a sub-recipient, directly administers housing programs and provides oversight and monitoring for other sub-recipients of housing funds. Also, LHAND is the Public Housing Authority (PHA) for the City, administering federal and state public housing, tenant and project-based vouchers and related programs.

DCD and LHAND's program administration activities for the CDBG, HOME and ESG programs include:

- Collaborating to develop the Consolidated Plan and Annual Action Plan on an ongoing basis. DCD and LHAND staff meets and communicate regularly to coordinate program planning and implementation activities and to ensure consistency in program monitoring and oversight.
- Coordinating public participation activities to promote a high level of public engagement and feedback on housing and community development initiatives. In response to the COVID-19 pandemic, DCD and LHAND implemented a series of virtual meetings, an online survey and other activities to promote community participation and input into the Consolidated Plan and Annual Plans.
- Working as a team to implement Consolidated Plan and Annual Plan activities with the active engagement of a broad and diverse array of community agencies and stakeholders. DCD and LHAND staff are experienced, qualified professionals who receive periodic training to ensure that they remain current with regulatory requirements, best practices and housing and community development trends and issues.
- Regularly communicating with the HUD Field Office and other federal, state and local regulatory and funding entities to promote information sharing, identify new funding sources and opportunities for further collaboration in support of the Consolidated Plan goals.
- Meeting on a regular basis to plan and implement housing and community development activities. DCD and LHAND staff conducts all program planning, implementation, oversight and monitoring for CDBG, HOME and ESG-funded activities. LHAND and DCD are active participants and meets regularly with the Lynn Continuum of Care (CoC) to coordinate the City's efforts to address homelessness issues.

The City's program administration activities promote public engagement, collaboration, accountability and sound administration. The administrative structure has been operational since July 1998, following the City and LHAND's execution of a Memorandum of Understanding.

Annual Action Plan
2022

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

This Annual Action Plan was developed through an ongoing collaborative process involving extensive participation by community residents and stakeholders representing diverse constituencies and perspectives. The Plan builds on and incorporates other recent and/or ongoing planning and community engagement initiatives that involve hundreds of Lynn residents and stakeholders such as the “Housing Lynn: A Plan for Inclusive Growth” (“Housing Lynn”) project described herein. This comprehensive community engagement and consultation effort included Community Forums; public hearings; discussion meetings; one-on-one interviews; correspondence via telephone, letters, and email; review of local and regional reports and studies; surveys of residents; and discussions with local business owners.

The Plan's goals and strategies were developed based on a detailed needs assessment and market analysis and with input from citizens and from public and private agencies that provide housing, health, social services, victim services, employment, fair housing, education and other services. This includes organizations who work with low-income families, homeless persons, persons with disabilities and other special needs populations; state or local health and child welfare agencies; neighboring jurisdictions; regional planning agencies; the local public housing agency (LHAND); Lynn CoC; Lynn businesses; and other stakeholders.

The engagement of these diverse stakeholders helped shape the needs, priorities, and strategies described in the Consolidated Plan. As further discussed in the Plan, there are several significant planning processes that are ongoing or that have occurred within recent years which involved extensive participation by Lynn residents and other stakeholders. The resultant plans and studies from these initiatives have been reviewed and helped to inform the Consolidated Plan goals and strategies.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

DCD and LHAND work collaboratively and on an ongoing basis with a diverse group of housing providers, private industry, and private and governmental health, mental health and service agencies to plan for and address the needs of Lynn residents. As the City’s Public Housing Authority, LHAND prepares the annual PHA Plan and is able to directly incorporate the needs and priorities of public and assisted housing residents into its ongoing program planning and implementation initiatives.

Through ongoing planning and coordination initiatives including the Lynn CoC, Citizens Advisory Board and other activities noted below, the City reached out to and consulted with business owners, major health and social service providers, housing providers including agencies providing services to homeless and at-risk households, organizations serving persons with AIDS and other special needs, state and regional agencies, and community residents.

To develop the Consolidated Plan, DCD and LHAND invited over 160 public service agency representatives to an online meeting in March 2021 to discuss Consolidated Plan needs and priorities. Input from these consultations helped to shape and inform the goals and strategies for the next five years and identify resources and activities to address community needs. The City's commitment to inclusive and diverse community consultation is ongoing.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Lynn CoC is a diverse, broad-based multi-agency collaborative that operates under a Governance Charter that is updated periodically. The charter ensures the collaboration of the CoC with private and public organizations within Lynn that are focused on addressing homelessness or have specific programming for this population. It also ensures efforts to engage members of specific subpopulations including those who are chronically homeless, families with children, unaccompanied youth and young adults, and veterans, and the programs that serve them.

As the Collaborative Applicant (CA) for HUD CoC funding, LHAND provides coordination for the CoC in partnership with the CoC Executive Committee and Board of Directors. LHAND has a standing seat on the Executive Committee. The City of Lynn is represented by staff from DCD, Department of Public Health, the Family Success Center, and the Veterans Services Office. The goals and strategies described in the Consolidated Plan build directly upon the Lynn CoC's coordinated homeless assistance, rapid rehousing, permanent housing and supportive service systems.

The City utilizes CDBG, HOME, and ESG funding to support the efforts of many of the agencies participating in the Lynn CoC that provide supportive services and housing-related activities. Various projects funded include the City's Multi-Service Center, Lynn Shelter Association Day Program, Haven Project, Street Advocate, and rental assistance programs including down payment assistance, security deposits, first and last month's rent, and short-term rental assistance. Approximately \$4,541,720 in ESG-CV funds were also allocated for supportive services to Lynn's homeless individuals and families.

The backbone of the Lynn CoC is the committee structure through which all the work of the CoC is accomplished and the CoC engages with the larger community. Lynn CoC Committees are comprised of

those from the full membership with special expertise or interest in the relevant topic such as youth, veterans, or elders, and at least one member of the Board of Directors.

Recognizing the disproportionate response of Lynn to homelessness relative to other regional communities, the City and LHAND continue to emphasize the need for collaborative regional solutions. Towards this end, LHAND serves as the administrator of the North Shore Housing Action Group (NSHAG), a network of 24 communities organized into three sub-regions. Through this regional collaborative, the City and LHAND work with other non-Lynn agencies to address regional homeless needs and develop supportive housing opportunities in communities that currently have little or no such housing.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

DCD consults with LHAND and other participants in the CoC on a regular basis regarding the prioritization and utilization of ESG resources. The Lynn CoC reviews and provides recommendations for the final allocation of funds. This process ensures that ESG funds address identified local needs and is utilized in an efficient manner in accordance with HUD and local guidelines.

Members of the Lynn CoC met remotely with DCD staff in December 2020 to discuss allocations of ESG and ESG-CV funding, and to plan for future use of that funding. A virtual meeting of CoC representatives was also held in February 2021 to discuss Consolidated Plan needs and priorities. In addition, some members of the CoC sent a letter, which included data and recommendations relating to the Consolidated Plan and which the City carefully considered. The CoC Governance Charter includes ESG Policies and Procedures to strengthen the partnership and level of engagement between DCD and the Lynn CoC regarding ESG funding.

The Lynn CoC recently developed a 3-year Strategic Plan to Prevent and End Homelessness through which it defines the goals and objectives that in turn allow the full membership and committees to generate performance standards and evaluate outcomes. These goals and objectives will be part of the Ranking and Review Committee's analysis of renewal and new project applications during the annual NOFA funding. In addition, all programs funded through the CoC participate in an annual monitoring process to evaluate adherence to HUD regulations and success in meeting the accomplishments identified in their respective funding applications. The annual review also provides an opportunity to

identify best practices and gauge success in meeting the performance standards defined by HUD and by the Lynn CoC's own goals and objectives.

Recognizing the importance of HMIS to creating, evaluating, and implementing successful programming, the City allocated \$70,000 in ESG-CV funding to strengthen and implement a new HMIS. The prior provider of the Lynn CoC's HMIS was the Balance of State CoC and the Massachusetts Department of Housing and Community Development (DHCD) which had provided notification that it would not be able to provide HMIS after December 2021. The ESG-CV funding was significant to the efforts of the Lynn CoC HMIS Procurement Committee which selected a new vendor, Bit Focus Inc., and began and HMIS migration in 2021.

In addition, the Lynn CoC received an HMIS Capacity Building grant from HUD that has been instrumental in developing new policies and procedures including user training mandates and data quality reviews. Through this grant, HUD also provided HMIS Technical Assistance to ensure that policies and procedures are compatible with HUD regulations and expectations. The grant also provided for the integration of the Lynn CoC Coordinated Entry into HMIS including the development of policies and procedures that require all ESG and CoC-funded organizations to enter relevant performance information into HMIS.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	AFFORDABLE HOUSING ASSOCIATES OF LYNN, INC
	Agency/Group/Organization Type	Housing
	What section of the Plan was addressed by Consultation?	Housing Need Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	On an on-going basis, Affordable Housing Associates, a member of the Lynn Continuum of Care (CoC) collaborates with the City, LHAND, and other stakeholders on housing, supportive services, community development and other issues of concern. As part of the consolidated planning process, the organization was contacted to participate in the Community Forums and provide their clients/members with information about the forums and Community Needs Survey for input on the development of the Consolidated Plan. In addition, the organization was contacted to participate in a stakeholder meeting for agencies to provide input on public service needs, resources, priorities and goals. Information provided by all stakeholders was used in the development of the needs analysis and market analysis and in the formation of goals and strategies for the Consolidated Plan. The CoC participants were directly involved in shaping the homelessness and homelessness prevention strategies described in the Consolidated Plan.
2	Agency/Group/Organization	ALL CARE VNA
	Agency/Group/Organization Type	Services-Health Health Agency
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	On an on-going basis, All Care VNA & Hospice collaborates with the City, LHAND, and other stakeholders on housing, supportive services, community development and other issues of concern. As part of the consolidated planning process, the organization was contacted to participate in the Community Forums and provide their clients/members with information about the forums and Community Needs Survey for input on the development of the Consolidated Plan. In addition, the organization was contacted to participate in a stakeholder meeting for agencies to provide input on public service needs, resources, priorities and goals. Information provided by all stakeholders was used in the development of the needs analysis and market analysis and in the formation of goals and strategies for the Consolidated Plan.
3	Agency/Group/Organization	Boston Region Metropolitan Planning Organization
	Agency/Group/Organization Type	Regional organization Planning organization
	What section of the Plan was addressed by Consultation?	Market Analysis
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	The City conducts consultations with the Boston Region Metropolitan Planning Organization on an on-going basis and reviews its planning studies and reports including the Route 1A/Lynnway/Carroll Parkway and other studies. Information provided by the organization was used in the development of the needs analysis and market analysis and in the formation of goals and strategies for the Consolidated Plan.

	Agency/Group/Organization Type	Housing Planning organization Hazard Mitigation/Resiliency
	What section of the Plan was addressed by Consultation?	Market Analysis Economic Development

Annual Action Plan
2022

	<p>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</p>	<p>The City conducts consultations with EDIC on an on-going basis and reviews its planning studies and reports. Information provided by the organization was used in the development of the needs analysis and market analysis and in the formation of goals and strategies for the Consolidated Plan. In 2016, Lynn EDIC sponsored the Lynn Coastal Resilience study completed by Weston and Sampson and funded by the Massachusetts Office of Coastal Zone Management (OCZM). Representatives of EDIC, OCZM, the Saugus River Watershed Council and others participated in a working group to develop the study. The purpose of the study was to evaluate sea level rise and coastal flooding that could occur under future climate change predictions, and to identify ways that Lynn can plan to adapt to these changes to improve resiliency. The study presents engineering and programmatic approaches that Lynn could implement to adapt to predicted inundation from sea level rise and storm surge including retrofitting existing municipal infrastructure and improvements to coastal protection.</p>

In addition, the organization was contacted to participate in a stakeholder meeting for agencies to provide input on public service needs, resources, priorities and goals.</p>

54	Agency/Group/Organization	Lynn Youth Street Outreach Advocacy
	Agency/Group/Organization Type	Services-Children Services-homeless Services-Employment
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Homelessness Needs - Unaccompanied youth Homelessness Strategy Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	The Lynn Youth Street Outreach Advocacy (LYSOA) is part of the Lynn Continuum of Care (CoC) and regularly collaborates with the City, LHAND and other stakeholders on homelessness prevention and other issues of concern to ensure coordination of efforts, where feasible. As part of the consolidated planning process, the organization was contacted to participate in the Community Forums and provide their clients/members with information about the forums and Community Needs Survey for input on the development of the Consolidated Plan. The organization was also contacted to participate in a stakeholder meeting for agencies to provide input on public service needs, resources, priorities and goals. In addition, CoC members were contacted to participate in the Continuum of Care Public Hearing and meeting to provide input on homeless needs, resources and priorities and ESG fund allocations. The CoC participants were directly involved in shaping the homelessness and homelessness prevention strategies described in the Consolidated Plan.
55	Agency/Group/Organization	Massachusetts Office of Coastal Zone Management
	Agency/Group/Organization Type	Agency - Managing Flood Prone Areas Other government - State
	What section of the Plan was addressed by Consultation?	Hazard Mitigation/Resiliency

Annual Action Plan
2022

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	In 2016, the Massachusetts Office of Coastal Zone Management (OCZM) funded the Lynn Coastal Resilience study undertaken by Lynn EDIC. Representatives of EDIC, OCZM, the Saugus River Watershed Council and others participated in a working group to develop the study. The purpose of the study was to evaluate sea level rise and coastal flooding that could occur under future climate change predictions, and to identify ways that Lynn can plan to adapt to these changes to improve resiliency. The study presents engineering and programmatic approaches that Lynn could implement to adapt to predicted inundation from sea level rise and storm surge including retrofitting existing municipal infrastructure and improvements to coastal protection.
56	Agency/Group/Organization	Pew Research Center
	Agency/Group/Organization Type	Services - Narrowing the Digital Divide Non-profit foundation
	What section of the Plan was addressed by Consultation?	Broadband Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Pew Research Center (PRC) is a national non-profit research organization with a focus on public policy issues including narrowing the digital divide. To assess broadband needs and strategies to increase access to broadband services for low income Lynn residents, the City reviewed reports and studies prepared by PRC and incorporated relevant information into the Consolidated Plan. In addition, the City utilized Census data and research to assess internet provider service, industry competitiveness and community needs.

Identify any Agency Types not consulted and provide rationale for not consulting

The City worked to engage all agency types involved in housing, homelessness, community development and economic development activities in the planning process. The COVID-19 pandemic presented challenges for many organizations and individuals; however, the City conducted broad

outreach to agencies throughout the community, inviting them to participate in virtual meetings and community forum and/or to complete an online survey regarding needs and priorities. Over 160 public service agency representatives were invited to participate in an online meeting held in March 2021 to discuss the Consolidated Plan and Annual Plans. To the extent that any agencies did not participate, the City welcomes their participation in future planning efforts including those related to funding priorities for future Annual Action Plans.

All agencies noted were considered in the development of this Annual Action Plan.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Lynn Housing Authority & Neighborhood Development	The Lynn CoC goal to prevent and end homelessness is consistent with the City goals to outreach and provide an array of housing and supportive services to alleviate and prevent homelessness.
PHA 5-Year Plan	Lynn Housing Authority & Neighborhood Development	The LHAND 5-Year Plan outlines the agencies long term goals. Many of the LHAND goals are directly related to the Strategic Plan goals, such as: efficiently and effectively managing public housing programs; identifying and securing federal and state funds to support housing revitalization and resident service programs; implementation of a housing strategy; expansion of affordable housing; and implementing supportive services that promote independent living and economic self-sufficiency.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
2021 Housing Lynn: A Plan for Inclusive Growth	Metropolitan Area Planning Council (MAPC)	The City goal to create and preserve affordable housing is generally consistent with the vision and goals stated in the report, which was developed with the active involvement of LHAND, community residents and numerous local stakeholders: New housing will meet the needs of Lynn residents and increase the strength and vibrancy of neighborhoods. Housing will enable everyone to thrive in a community that is inclusive to all. The Report identifies housing need and demand, vision and goals, future development considerations and opportunities and provides recommendations to achieve the Lynn housing vision and goals. Information from the plan was used to help shape the Needs Analysis, Market Analysis and Strategic Plan chapters of the Consolidated Plan.
Unified Planning Work Program FFY 2021	Boston Region Metropolitan Planning Organization (MPO)	The UPWP goals of promoting infrastructure improvements, reducing congestion, improving reliability, creating economic vitality, and protecting environmental sustainability, are all goals that are consistent with the Lynn Strategic Plan. The UPWP was produced by the Boston Region MPO.
2020 Lynn City Summit Summary Report	Metropolitan Area Planning Council (MAPC)	The Lynn City Summit was held in November 2019 to bring community members, advocates, city departments, non-profits, the business community, and residents together for a fruitful discussion on the most pressing issues that are affecting Lynn today. Areas of discussion included transportation, arts and culture, economic development, housing, public safety and education. The report summarizes the strengths and challenges, ideas and topics identified during the summit, which are consistent with the goals of the City Strategic Plan.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
City of Lynn Proposed FY 2020- FY2024 Capital Impro	Edward J. Collins, Jr. Center for Public Management at the University of Massachusetts Boston	The City Five Year Capital Improvement Plan (CIP) prioritizes a variety of goals, including: putting the City on a course toward a stronger financial footing; investing in basic infrastructure needs, such as roads, buildings, and parks/playground; beginning to address the significant space needs at the Lynn Public Schools; and, spurring economic development in downtown and at the waterfront through strategic capital projects. These goals overlap with the Strategic Plan goals of the City. Information from the CIP was used to help shape the Needs Analysis and Strategic Plan chapters of the Consolidated Plan.
Lynn Fire: 5 Year Capital Plan	City of Lynn Fire Department	The 5 Year Capital Plan lists the priorities and needs of the City Fire Department with respect to apparatus and vehicle replacement and improvements and repairs to facilities. As stated in the Plan, the Department vision, which overlaps with the Strategic Plan goals of the City, is to train and equip a modern and progressive fire/rescue/EMS department that is thoroughly prepared to meet the challenges of the 21st century. Information from the Plan was used to help shape the Needs Analysis and Strategic Plan chapters of the Consolidated Plan.
Waterfront Public Safety Building Proposal	City of Lynn Fire Department	The City Fire Department proposes the development of a Fire Department Public Safety Facility on the waterfront to provide a welcome and comforting public safety presence and plan for public safety needs. The goals of the proposal are consistent with the Lynn Strategic Plan. Information from the proposal was used to help shape the Needs Analysis and Strategic Plan chapters of the Consolidated Plan.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Racial Equity Municipal Action Plan	Metropolitan Area Planning Council (MAPC)	The program is a collaboration with MAPC partners at the Government Alliance on Race and Equity (GARE) and the Federal Reserve Bank of Boston (FRBB) to provide technical assistance to create racial equity action plans and to take meaningful action to advance racial equity. A key goal of the program is to build racial equity practices by establishing racial equity as a community value, developing shared understanding of key equity concepts, and fostering partnerships within the community to address racial inequity. In concert with the City Strategic Plan goals, the City, LHAND and other community groups are working to enhance staff and organizational capacity to support racial equity work both internally within municipal government and externally throughout the community.
2020 Lynn Municipal Harbor Plan (MHP)	City of Lynn Economic Development and Industrial Corporation (EDIC)	The 2020 Lynn MHP culminates almost two decades of planning and development efforts to revitalize and diversify the Lynn waterfront, centered around a signature public waterfront park. The MHP envisions a reinvigorated, active waterfront community that is welcoming to a wide range of diverse residents and visitors. The Plan goal of maximizing the development potential of land abutting the Atlantic Ocean along the Lynnway is consistent with the goals of the Strategic Plan. It has the potential to generate hundreds of new construction and/or permanent jobs and substantial new tax revenues, and provides an exciting strategy for future land use including mixed uses (housing, commercial, retail), open space and the development of entirely new City neighborhoods.
Transportation Improvement Program (TIP): 2021-25	Boston Region Metropolitan Planning Organization	The Transportation Improvement Program (TIP) is the five-year rolling capital plan for the 97 cities and towns in the Boston Region Metropolitan Planning Organization (MPO) planning area. The TIP documents all transportation projects receiving federal funding in the region over the next five years. The MPO study supports and allocates multiple projects in and around Lynn that overlap directly with the Consolidated Plan goals to improve transit and quality of life.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
2020 Greater Boston Housing Report Card	Dukakis Center for Urban and Regional Policy, Northeastern University	Created yearly to identify greater Boston housing needs, impediments to meeting those needs and proposals for attaining them, the goals of the Housing Report Card overlap with the Lynn Strategic Plan to further economic development, create a diverse tax base, and meet the housing needs of residence through continued investment in housing and continued development initiatives.
2019 Waterfront Open Space Master Plan	City of Lynn/ Economic Development and Industrial Corp of Lynn/Dept of Conservation and Recreation	Consistent with the City goals of revitalizing neighborhoods and investing in public facilities and infrastructure, the purpose of the Lynn Waterfront Open Space Master Plan was to locate public parks, plazas, and a continuous promenade along the waterfront, and to provide enforceable Design Guidelines for all public open spaces within the project area. Consistent with the City Strategic Plan goals, the Master Plan vision is to: establish a framework for a vibrant public realm; provide a series of destinations that are connected by parks and promenades; connect downtown and neighborhoods to the waterfront on well-designed city streets; promote development that engages city street edges and promotes public access; provide welcoming and exciting public parks, plazas, and promenades that are inviting to all members of the public; and provide a range of uses to attract a diversity of visitors at different times of day.
2019 Lynn Revised Waterfront Master Plan	City of Lynn Economic Development and Industrial Corporation (EDIC)	The 2019 Revised Waterfront MP builds off the 2019 Waterfront Open Space MP to create a flexible planning framework for how future development can grow on the waterfront while implementing open space goals. The Plan proposed a flexible approach to land use and regulations that can encourage creative mixed-uses to emerge alongside existing industrial areas and facilitate new development at a scale capable of contributing to a connected public realm and waterfront.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Lynn Public Schools District Plan Overview 2019-24	Lynn Public Schools	The Lynn Public Schools Strategic Plan identifies the goal of Drawing upon the strength of our community, our families, our students, and our partners, Lynn Public Schools commits to fulfilling the intellectual, physical, and social-emotional potential of all of our students. We work together so our students learn to thrive, advance, and impact the greater community and the world. This is consistent with the City goal to improve educational attainment and promote economic self-sufficiency among Lynn low income populations.
A Toolkit for West Lynn: Neighborhood Planning	City of Lynn in partnership with Massachusetts Institute of Technology Dept. of Urban Studies	The MIT Toolkit identifies the following three goals, which are consistent with the City Strategic Plan goals: to present development strategies that allow Lynn to continue growing, promote inclusivity and celebrate West Lynn diversity of experience, background, and talent; harness West Lynn full potential through robust economic development strategies that improve the economy while contributing to community health and mobility improvements; and, present strategies to promote climate resiliency through responsible development. The long-term strategies/recommendations presented in the Toolkit include the following: allow dense, mixed-use development on the end of the Western Riverfront; create a Riverfront Overlay District; establish exaction-based flood mitigation; and, create a Transportation Demand Management Plan. Information from the Toolkit was used to help shape the Needs Analysis and Strategic Plan chapters of the Consolidated Plan.
Lynn Business Guide	City of Lynn/EDIC	The Business Guide provides guidance to businesses as they relocate, renovate or expand an existing company, or embark on a new venture. Included in the guide is contact information, business checklist and information on certificates, permits and licensing. The guide supports the City goal of promoting economic development.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
North Shore Workforce Board Strategic Plan 2018-21	North Shore Workforce Board	The NSWB is comprised of over 40 local business, industry, labor, education and training leaders that have statutory authority to fund and promote workforce development initiatives throughout its 19 city and town region, including the City of Lynn, in direct overlap with the City strategic goals. The board serves as the oversight and policy-making body for federally funded employment and training services in the region. The board also has the broader role of addressing critical labor market issues and developing strategic partnerships with local leaders in economic development, the K-12 and higher education system, government agencies, chambers of commerce, community-based, and labor organizations.
2019 Regional Labor Market Blueprint Update: NE	North Shore Workforce Investment Board (NSWIB)	The NSWIB Regional Labor Market Blueprint Update for the Northeast region provides perspectives on where the region is now, how it is doing, and where it wants to go. NSWIB strategies are consistent with the City strategic plan goal of promoting economic development.
Destination 2040: Long-Range Transportation Plan	Boston Region Metropolitan Planning Organization	Destination 2040 is the Boston Region Metropolitan Planning Organization (MPO) Long-Range Transportation Plan (LRTP) that will guide decisions about investments in the transportation network to bring the system from its present state towards the MPO vision for the future: A modern, well-maintained transportation system that supports a sustainable, healthy, livable, and economically vibrant region. The Plan identifies reconstruction of Western Avenue, bridge restoration on Route 1A over the Saugus River, and the Blue Line Extension to Lynn as major infrastructure focus areas. The goal of addressing these needs and other regional needs impacting Lynn aligns directly with the Consolidated Plan.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Lynn Public Schools Entry Report 2018-2019	Lynn Public Schools	The Lynn Public Schools engaged in a highly collaborative and interactive process to establish an Entry Report addressing the following goals, which are consistent with the Consolidated Plan goals: To determine strengths, challenges, and goals in our schools and supporting departments; To gain deeper insight to the student experience; To determine the nature of the relationships between schools and families and schools and the broader community; To become familiar with policies, protocols, and norms; and, To identify data to inform a long-range strategic plan.
Gateway Cities Economic Snapshot TDI Report 2018	MassDevelopment Transformative Development Initiative (TDI)	The TDI initiative is an integrated, place based approach designed to implement strategic and sustainable revitalization activities in areas within Massachusetts designated as Gateway Cities including Lynn. With the objective of reducing blight and underutilization, increasing district activity, and producing new jobs and prosperity, these goals overlap with the Strategic Plan goals of the City. Participation in the TDI program leverages additional funding for projects found in the Strategic Plan. The Gateway City Economic Snapshot includes data from Lynn on residential and commercial real estate and hyper-local economic and industrial conditions, as well as data from a customized survey undertaken Lynn that examines community perceptions of district business and property owners and the people who live, work, or play in the district. Each of these methods establishes current economic conditions to provide a baseline for measuring future changes.
Downtown Action Strategy for the City of Lynn	MassDevelopment Transformative Development Initiative (TDI)	The TDI strives to enhance and accelerate redevelopment in key Gateway City districts. The TDI seeks to implement locally initiated, strategic, and catalytic revitalization activities in the Massachusetts Gateway Cities to effect successful redevelopments, which overlaps with the City goal of promoting economic development.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
2016 Lynn Open Space and Recreation Plan	Metropolitan Area Planning Council (MAPC)	The primary purpose of this Plan was to identify the open space and recreational resources in the City of Lynn and to produce a consistent policy directive designed to maintain and enhance the park and recreation facilities of the City. Consistent with goal of investing in public facilities and infrastructure, the Lynn Open Space and Recreation Plan outlines a number of goals and objectives for improvements to the open space and recreational resources of the City, Specific to the Strategic Plan, it sets goals to improve security and maintenance at all sites, improve and upgrade existing recreational facilities, improve overall appearance and visual character of the City, determine potential locations for new neighborhood and community wide recreation sites, continue to improve accessibility to existing sites for elderly and disabled users, develop pedestrian oriented circulation between open space and recreation areas.
2016 Lynn Coastal Resiliency Assessment	City of Lynn Economic Development and Industrial Corp (EDIC)	Lynn Economic Development and Industrial Corporation (EDIC) conducted a community based process to assess vulnerability and consider adaptation strategies to future climatic conditions along the Lynn shoreline and Saugus River areas. The overall goal of the project was to improve coastal resilience, which is consistent with the Strategic Plan goals of the City.
Route 1a Lynnway Carroll Parkway Study in Lynn	Boston Region Metropolitan Planning Organization (MPO)	The study analyzes exiting conditions to develop short and long term alternatives that would transform the Lynnway and Carroll Parkway into a pedestrian and bicyclist friendly roadway as well as a transportation corridor that serves all modes of transportation and maintains regional travel capacity. MPO recommendations include improvements to the Lynn Commuter Rail Station, Lynn Shore Drive, the Lynnway and route 129, and continued study of extending the Blue Line to Lynn. The study goals of transit improvement are consistent with the goals of the Consolidated Plan.
Lynn Housing Study 2016	RKG Associates, Inc. under contract to LHAND	Information from the Housing Market Study was used to help shape the Needs Analysis, Market Analysis and Strategic Plan chapters of the Consolidated Plan.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
2015 Economic Development Strategy	RKG Associates, Inc for the City of Lynn Economic Development Industrial Corporation	The goals of the Economic Development Study were to: evaluate market trends and economic indicators; survey major employers and business leaders to gather experiences and needs; and analyze the tax base of the City and land use patterns to identify economic opportunity zones. These goals coincide with the Strategic Plan of the City and its goals of engaging the public and business communities to target economic development activities that serve specific needs of both groups and to help to shape future plans and strategies.
Downtown Lynn Traffic Circulation Study	City of Lynn	In support of the goal of investing in public facilities and infrastructure, the Lynn Traffic Circulation Study was conducted to evaluate existing downtown traffic flow and circulation; develop short-term, low-cost improvements; and evaluate impacts of converting select one-way streets to two-way operation.
A Technical Assistance Panel Report	Urban Land Institute (ULI) Boston/New England, MassDevelopment	The ULI Technical Assistance Panel connected local residents with ULI experts to develop new approaches for redeveloping the downtown area. The goals of the panel were to: encourage private development; increase active uses of downtown; improve connectivity; identify strategic assets; and create a targeted plan of action. All of these are goals of the Strategic Plan.
Build on the Vision for Downtown Lynn	Metropolitan Area Planning Council (MAPC)	The City worked with MAPC on this study, which outlines the community vision, identifies barriers, and makes recommendations for a vibrant, dynamic and economically competitive Downtown. This initiative includes ideas and recommendations that build on the vision of a prosperous and inviting Downtown Lynn, which overlap with the Strategic Plan goals of the City.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
City of Lynn Arts and Culture Application	Lynn Economic Development and Industrial Corporation	The successful Lynn application to the Massachusetts Cultural Council for the creation of a Cultural District outlines goals that align directly with the Strategic Plan. The plan for the cultural district includes: allocating small business loans to artists and arts businesses; rezoning parts of downtown to encourage artist live/work space; and forming a committee of City officials, the local arts community, and other stakeholders to guide the district. The overarching goal of the plan is economic development that attracts new market rate housing and regional consumer dollars to the benefit of the existing local artist community and the City as a whole.
Market Street Vision Plan	City of Lynn	The goal of the revitalization plan for Market Street and the immediately surrounding section of downtown Lynn is to create a mixed income community to build on the existing assets and ongoing investments of the area. This overlaps with the Strategic Plan goals of economic development and leverage of funds.
Washington Street Gateway District Plan	City of Lynn	The goals of the study, which overlap with the goals of the Strategic Plan, are to: facilitate mixed-use development; increase real estate investment; connect the neighborhood and the waterfront; promote accessibility; replace vacant or underutilized land, low-density development, and incompatible uses; and encourage transit-oriented development.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Lynn High Housing Dev Incentive Prog HD Zone Plan	City of Lynn/ Metropolitan Area Planning Council (MAPC)	The City of Lynn worked with MAPC to apply for the Commonwealth Housing Development Incentive Program and to establish a Housing Development Zone in the Downtown and Waterfront areas, which overlaps with the Strategic Plan goals of the City to create and preserve affordable housing. The Housing Development zone provides market-rate housing developments access to a local real estate tax exemption on the property tax increment, as well as access to state tax credits on rehabilitation expenses. The zone explicitly targets market-rate development for the lowest-income neighborhoods in the City, in part to promote neighborhood stabilization and economic development (in addition to residential development and housing stock diversity). The HD zone plan followed several significant zoning reforms in the application of the City, and the redevelopments in the HD zones are eligible for the HDIP incentives.
Lynn Downtown Action Strategy (2016)	City of Lynn/ MassDevelopment	Working with MassDevelopment, and consultants Interface Studio and Nelson\Nygaard, the City drafted the Lynn Downtown Action Strategy, a plan to bring more street activity to a 5-block-by-5-block node around the Lynn MBTA station. The plan largely focused on public art, wayfinding and other signage, programming, complete streets and walkability improvements, improved parks and plazas, and infill development. The infill development strategy catalogued opportunity sites, and suggested mixed-use, commercial, and residential developments for them, which is consistent with the goals of the Strategic Plan.
Community Health Needs Assessment (2016)	NextShift Collaborative	NextShift Collaborative, a planning consultancy, published a Community Health Needs Assessment (CHNA) for Lynn in 2016. Healthcare Workers Union 1199-SEIU commissioned the study, which addressed the broad health needs of the community in the context of North Shore Medical Center (NSMC) consolidating services and closing Union Hospital.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Union Hospital Study (2018)	Metropolitan Area Planning Council (MAPC)	In 2019, Partners HealthCare closed Union Hospital in Lynn as part of its consolidation of North Shore Medical Center. The closing of the only hospital in Lynn was contentious in the community. Partners is now building a medical village, offering outpatient and medical professional services on a quarter of the Union Hospital site, and it plans to sell the remainder of the site. In 2018, the City worked with MAPC to conduct a community process and site study to plan for the future of the hospital. The plan proposes that Lynn create new base zoning for a Medical Village district at the site. That proposed district would allow for senior housing at various densities, assisted living, and general office, medical village, and open space uses. The site was purchased, and concept plans include senior living on the front parcel, including units with supportive services, and single-family homes at the rear near Lynn Woods. More than 50% of units would be affordable, with up to 70% restricted for local residents, which is consistent with the Strategic Plan goals of the City.
Former Marshall School Site Study (2019)	Metropolitan Area Planning Council (MAPC)	MAPC recently conducted a study of the former site of Marshall Middle School. The study assessed market conditions and various redevelopment scenarios, including commercial, residential, and public open space uses, and it looked at the viability of Affordable Housing as a component of the redevelopment, which overlap with the Strategic Plan goals of the City to revitalize neighborhoods, promote economic development, and create and preserve affordable housing. The study assessed current zoning and potential alternatives based on similar projects in Lynn and nearby. The process included public vetting of potential zoning alternatives, as well as financial analysis and conversations with developers to ensure ultimate viability.
Northern Strand Zoning Study	Metropolitan Area Planning Council (MAPC)	Commissioned by EDIC, MAPC is currently studying a potential zoning overlay for land adjacent to the Northern Strand Community Trail. In 2018, the Commonwealth committed \$1.5 million to extend the trail into Lynn and to the Waterfront. This zoning study includes public engagement and land use analysis to develop land use goals along the trail and the surrounding Saugus River neighborhood.

Annual Action Plan
2022

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Creative Placemaking	Metropolitan Area Planning Council (MAPC)	Downtown Lynn has been an official state Cultural District since 2012, and the visibility of Downtown Lynn as a cultural destination has only grown through installation of public art, such as the Beyond Walls murals and Ghosts of Lynn. Building on this, MAPC is currently developing a creative placemaking plan for Lynn. The plan will include an overall creative placemaking strategy, analysis, and recommendations based in part on public workshops and other engagement and overlaps with the goals to revitalize the City and promote economic development.

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

Please see the Consolidated Plan for information on cooperation and coordination with other public entities, private industry, businesses, developers and social service agencies during the Annual Action Plan process.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

DCD, in partnership with LHAND and the Citizen Advisory Board, coordinated all public participation activities to promote a high degree of public involvement and feedback on housing and community development needs, priorities and strategies. In light of the limitations on in-person meetings posed by the COVID-19 pandemic, the majority of meetings and interactions were conducted through virtual meetings, telephone conferences and email communications. In addition, an online survey was conducted to provide opportunities for residents to express their views of community needs and priorities. The planning process encouraged participation from low- and moderate-income persons, residents in areas where CDBG funds are proposed for use, minorities, non-English speaking persons, persons with disabilities, public housing residents, and local and regional institutions, including the Lynn CoC, businesses, non-profit organizations, community-based organizations and others. Input from the citizen participation process informed the setting of goals and strategies for the Plan.

In addition to the public participation activities summarized in the Citizen Participation Outreach table, other recent planning processes that involved significant numbers of community residents and other stakeholders helped inform the planning process. Two examples of this include the Lynn City Summit and the “Housing Lynn: A Plan for Inclusive Growth” report that was finalized in March 2021, both of which included extensive citizen participation.

The Lynn City Summit held in November 2019 brought together community members, advocates, City departments, non-profits, the business community, and residents to discuss the most pressing issues affecting Lynn. Areas of discussion included transportation, arts and culture, economic development, housing, public safety and education. Over 240 individuals participated in the all-day event that featured workshops and a community resource fair that provided an opportunity to connect one-on-one with City departments and organizations working to improve and enhance community development in the City. Participants communicated their opinions regarding strengths, challenges and “big ideas” to address specific challenges and preserve specific strengths. This information was used to inform the City’s needs and strategic plan.

“Housing Lynn: A Plan for Inclusive Growth” was the result of a community-driven process, involving hundreds of residents, to develop a housing affordability strategy that complements the City’s market-rate development initiatives. Facilitated and produced by the Metropolitan Area Planning Council, the City, LHAND and the Mayor’s Office worked with the community to understand and raise awareness of housing need,

establish goals, and identify strategies and actions to increase housing security for Lynn residents and proactively guide the type, amount, and location of future residential development. Hundreds of residents participated in the process, which was used to help shape the Needs Analysis, Market Analysis and Strategic Plan sections of the Consolidated Plan.

The City provided formal opportunities for public review and comment prior to finalizing the Consolidated Plan and Annual Action Plans. Please see the Annual Action Plan for additional information on the citizen participation process.

Citizen Participation Outreach

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
1	Public Meeting	Non-targeted/broad community	Thirty-two individuals attended the Lynn CoC Public Hearing held on November 19, 2020.	Agency representatives discussed the work they are doing to eliminate homelessness and provide housing and services for the homeless population. Participants voiced the need for additional services.	Not applicable.	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (if applicable)
2	Virtual Meeting	Continuum of Care Members	CoC members participated in a virtual meeting with LHAND and DCD on February 11, 2021 to discuss the Consolidated Plan outreach process, potential data sources and CoC involvement in developing Consolidated Plan needs and priorities.	Participants expressed a willingness to provide CoC input to the Consolidated Plan process and to help outreach to their clients to encourage participation in the Community Forums and online survey.	Not applicable.	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (if applicable)
3	Virtual Meeting	Public Service Agencies	<p>Over 160 public service agency representatives were invited to participate in a virtual meeting held on March 25, 2021 to discuss agency perspectives on community needs and priorities. A total of 26 agency representatives participated. The meeting included a presentation on the Consolidated Plan and Annual Plan processes, background on the CDBG, HOME and ESG funding sources and other relevant information. 2022</p>	<p>Participants identified a range of community needs, concerns and priorities. The fact that Lynn median income is much lower than the metropolitan area median income was emphasized, as it highlights the need to target housing resources to the extremely low income households. The need for a variety of subsidized housing resources was discussed including transitional housing, permanent supportive housing, and housing that combines mental health and other services. Concerns were raised about the need to address longstanding income and racial inequalities and disparities in developing new programs. The need for health care services for homeless and other populations, the need for additional wheelchair accessible units, food</p>	<p>Not applicable.</p> <p>319</p>	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (if applicable)
4	Public Meeting	Non-targeted/broad community	<p>Approximately 20 individuals attended the 1st Community Forum held virtually on March 24, 2021. Participants included: Lynn residents, homeowners, and members of the workforce; and volunteers and staff of Lynn public services agencies.</p>	<p>Participants voiced the need for affordable and accessible housing; services and shelter for the homeless; school funding; health care needs; senior center needs; equitable development; racial equality and other needs. The issue of Lynn median income being significantly lower than that of the larger metropolitan SMSA was raised, pointing to the need to target resources to the very lowest income households. The Lynn Public Health Director voiced the need for more space to accommodate all the health needs (emotional and physical) of the residents of Lynn.</p>	Not applicable.	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (if applicable)
5	Public Meeting	Non-targeted/broad community	Approximately 20 individuals attended the 2nd Community Forum held virtually on March 25, 2021. Participants included Lynn residents and members/staff of Lynn public services agencies. Interpretation services were provided.	Participants largely echoed the concerns noted above in the prior public meeting. The need for permanent supportive housing, health care services for elders and the homeless, capital improvements for public housing and related concerns were identified. Other concerns included addressing income inequality and racial disparities within the community.	Not applicable.	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (if applicable)
6	Community Needs Survey	Non-targeted/broad	<p>Further outreach was conducted through administration of a Community Needs Survey. The survey polled respondents about their priorities for the City's housing, community and economic development, infrastructure, and public services. In an effort to reach as many citizens as possible, the survey</p>	<p>The following initiatives were identified by more than 70% of the respondents as initiatives: Housing Initiatives: Preserve and rehabilitate affordable, rental housing (82% of respondents) Permanent and supportive housing for the homeless (76% of respondents) Housing for people with special needs (79% of respondents) Enforcement of neighborhood codes and health and safety standards, i.e. rodent control (81% of respondents) Community and Economic Development Initiatives Programs to create new jobs (80% of respondents) Programs to keep existing jobs in Lynn (80% of respondents) Job training programs (82% of respondents) Infrastructure Initiatives: Improvements to public parks and recreational facilities</p>	<p>322</p> <p>Not applicable.</p>	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (if applicable)
7	Public Hearing	Non-targeted/broad community	A public hearing was held on March 8, 2022. 50 attendees were present for the hearing. Individuals representing 20 organizations presented individual summaries of the proposal applications before the Citizens Advisory Board	Presentations of proposal applications and the public comments were all considered during the development of the final plan.	Not applicable.	

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (if applicable)
8	Public Hearing	Non-targeted/broad community	<p>The proposed Annual Action Plan was made available for review during the period June 27, 2022 through July 28, 2022, and citizens were afforded an opportunity to review and comment on the Annual Action Plan following the Notice of Public Hearing. Approximately 30 people attended the public hearing on June 28, 2022 to discuss the Annual Action Plan and proposed funding activities for fiscal year 2023.</p>	All public comments were considered during the development of the final plan.	Not applicable.	

Table 4 – Citizen Participation Outreach

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

Table 5 summarizes the estimated resources that the City of Lynn plans to utilize to implement the Annual Action Plan activities described herein. This includes \$3,411,150.00 in Federal Fiscal Year (FFY) 2022 entitlement funds that the City expects to receive. An estimated \$185,000.00 in program income will also be utilized to fund targeted housing, economic development and community development activities.

The impact of the projected entitlement program funds will be enhanced by additional private sector, foundation, and federal, state and local government funds. As part of the process for distributing entitlement funds, the City requests information from prospective grantees regarding other funding sources. Over the course of the five-year Consolidated Plan cycle, the City will continue to emphasize leveraging other funds so that limited entitlement funds achieve maximum impact and produce maximum benefits for Lynn’s low and moderate income households.

In addition to entitlement funds, City agencies and providers receive funding from the McKinney-Vento/HEARTH Act funded grants and other public and private resources in order to reduce homelessness and address the needs of this population.

Funding for public housing and leased housing programs is received and administered by the Lynn Housing Authority & Neighborhood Development. Note that all amounts are preliminary and subject to change based on HUD and Congressional action. Note also that budgets for other housing authorities which lease units in Lynn through the Housing Choice Voucher Program are not included in these figures.

Extensive other resources will be allocated to support housing, economic development and community development activities over the course of the Annual Action Plan. The Sources of Funds table in the Attachment provides a partial listing of other funding sources that address Lynn’s housing, economic and community development needs and/or support the activities funded through the CDBG and ESG entitlement grant programs.

Prior year funds as of 06/30/2022 for CDBG total \$3,831,425.68, for HOME total \$2,828,389.27, for ESG total \$412,329.01

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	2,214,818	120,000	400,000	2,734,818	7,004,454	CDBG funds support a range of housing, community development and public service activities primarily benefiting low and moderate-income residents.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	992,340	65,000	0	1,057,340	3,172,020	The HOME Investment Partnership Program provides funds for housing and rehabilitation, homebuyer assistance, renter assistance, and CHDO activities.
ESG	public - federal	Conversion and rehab for transitional housing Financial Assistance Overnight shelter Rapid re-housing (rental assistance) Rental Assistance Services Transitional housing	203,992	0	0	203,992	611,976	ESG funds will be used to fund support services and facilities for the City's homeless and rental assistance program.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how

matching requirements will be satisfied

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The “Housing Lynn” report identifies a wide range of properties that are good candidates for mixed income housing development that includes affordable rental and/or homeownership units. The City and LHAND will work to further explore the feasibility of some or all of these sites and other appropriate sites and to facilitate development where financially feasible using both public and privately owned land. Also, Lynn EDIC is a quasi-public agency that has ownership of various properties located in the City. Lynn EDIC coordinates its efforts with LHAND and DCD, working to support the City’s overall housing, community and economic goals.

Discussion

Ongoing efforts will continue over the course of the Consolidated Plan period to leverage limited formula grant funds to secure private, other governmental, non-profit and philanthropic resources needed to accomplish the City’s strategic goals.

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Create and Preserve Deed-Restricted Affordable Hsg
	Goal Description	Initiatives to support implementation of the 2021 “Housing Lynn” Plan and other efforts to: develop new deed-restricted rental housing units with an emphasis on affordability for households at or below the Lynn local median income (which is significantly below the metropolitan wide Area Median Income) and special needs populations; expand workforce housing; secure adequate capital and operating funds for LHAND’s state and federally assisted public housing portfolio; and, secure resources and undertake other activities to recapitalize and preserve existing, deed restricted affordable housing including expiring use developments.

2	Goal Name	Reduce Hsg Cost Burdens & Improve Housing Cond.
	Goal Description	Initiatives to reduce housing cost burdens and improve housing conditions for renters with a priority for households at or below the Lynn local median income including: tenant-based rental assistance programs; initiatives to prevent displacement and respond to the COVID-19 pandemic; housing stability and eviction prevention activities; initiatives to ensure building safety, improve building conditions and promote climate resilience, energy efficiency and sustainability.
3	Goal Name	Preserve & Expand Affordable Homeownership Opp.
	Goal Description	Initiatives to expand first time homebuyer opportunities and to improve health and safety issues for existing low and moderate-income homeowners with a priority for households earning at or below the Lynn local median income.
4	Goal Name	Increase Special Needs Housing Opportunities
	Goal Description	Initiatives to make housing accessible for persons with disabilities and to provide a range of options that include housing and services for special needs populations.
5	Goal Name	Reduce Homelessness
	Goal Description	Initiatives coordinated by the Lynn Continuum of Care to prevent and end homelessness among residents of Lynn. These include focusing on specific at-risk populations such as youth and young adults, families, survivors of domestic violence, and elders, as well as addressing the need to ensure racial equity across the homeless system.
6	Goal Name	Enforce Fair Hsg Laws & Supp Res Dev that Adv Div
	Goal Description	Initiatives to prevent housing discrimination, support neighborhood diversity and promote a welcoming and open community for all residents.
7	Goal Name	Promote Economic Development
	Goal Description	Initiatives to improve the City's economy, mitigate economic impacts of the COVID-19 pandemic, reduce income inequality, expand business activity, improve the competitiveness of the Lynn workforce, upgrade regional and local public transportation options, promote private market investment and maximize public benefits resulting from development activity. This includes efforts to incubate and grow small businesses, including artists and the creative industry.

8	Goal Name	Revitalize and Strengthen Neighborhoods
	Goal Description	Initiatives to revitalize and strengthen Lynn’s Downtown, Waterfront, Market Street Gateway, Washington Street Gateway, Central Lynn, Boston Street Corridor and other areas including potential development sites identified in the “Housing First” report. This goal supports equitable development that fosters safe and diverse neighborhoods; advances climate resilience; development of transit-oriented housing and other mixed use projects; development of market rate and mixed-income housing with a focus on deed-restricted housing that is affordable to households earning less than the Lynn local area median income; leveraging of new private investments; reinvestments in existing homes and multi-family developments; and, improvements to public safety and quality of life.
9	Goal Name	Improve Public Facilities and Infrastructure
	Goal Description	Initiatives to improve public facilities, improve the climate resilience and sustainability of Lynn’s infrastructure and make other necessary improvements and upgrades to municipal buildings, parks and infrastructure.
10	Goal Name	Expand Public Services and Other Supportive Svcs
	Goal Description	Initiatives to respond to the many supportive service needs of Lynn’s residents including special needs populations. This goal encompasses many objectives including mitigating the negative health and economic impacts of COVID-19 and providing needed services to public housing residents, seniors, at-risk youth, linguistic minorities, victims of domestic violence and other groups.

Projects

AP-35 Projects – 91.220(d)

Introduction

The City and its subgrantees will implement a wide array of housing, economic development and community development programs and activities during City Fiscal Year 2023. Each of these programs and activities supports and relates to the priority needs and objectives identified in the five-year Consolidated Plan.

Projects

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The funding priorities of this Action Plan are the same as those outlined in the Strategic Plan.

Any changes to future allocation priorities will be outlined in subsequent Action Plans. Obstacles to addressing underserved needs are also outlined in the Strategic Plan and in Section AP-75 of this Annual Action Plan, and will be updated in subsequent Action Plans if they change.

The City intends to continue to invest in needed programs on a citywide basis, while prioritizing economic development and housing activities in the local target areas and at potential development sites including those identified in the “Housing Lynn” report. As identified through multiple community planning processes, the basis by which the City allocates investments geographically is to focus on currently underutilized locations in and around higher density neighborhoods that present the largest opportunity to generate economic development and housing benefits for low and moderate-income residents and the broader community. The City and its residents have numerous needs and not enough funding to address them all. By focusing on priority areas, the City can maximize impact per dollar spent.

The primary barriers to additional affordable housing in Lynn are the extremely limited funding available from federal and state government sources; the high cost of land and housing in the local and regional markets; the limited availability of land for development; and, the aged conditions of a majority of the

housing stock. While the Massachusetts Subsidized Housing Inventory (SHI) indicates that over 12% of the City's housing inventory is subsidized, therefore exceeding the state's minimum threshold of 10% under Chapter 40B, there remains a very significant affordability issue in the community with a majority of low-income renters paying more than 30% of income towards housing costs. The Housing Lynn report identified a framework for future development intended in part to address this need.

See also section MA-40 of the Consolidated Plan for further discussion of needs, priorities and strategies to remove barriers to affordable housing.

AP-38 Project Summary
Project Summary Information

1	Project Name	Summer Youth Employment Program
	Target Area	Central Lynn Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$75,000
	Description	The Summer Youth Employment Program offers summer employment for Lynn youth ages 16-21. The program helps the City's youth become ambitious workers and dependable individuals. Last summer 127 Lynn youth were employed through the program, of which 63% were from low/moderate income families and 45% were of a minority group. The positions run seven weeks, 25 hours per week. Employment consists of light construction activities and outdoor clean crews at selected sites in the City. Additionally, private businesses in the City provide clerical job training opportunities to improve participant work skills. This activity will be funded \$75,000.00.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	The Summer Youth Employment Program offers summer employment for Lynn youth ages 16-21. The program helps the City's youth become ambitious workers and dependable individuals. Last summer 127 Lynn youth were employed through the program, of which 63% were from low/moderate income families and 45% were of a minority group.
	Location Description	Lynn Department of Community Development, Room 311, Lynn City Hall, Lynn, MA 01901
	Planned Activities	The Summer Youth Employment Program offers summer employment for Lynn youth ages 16-21. The program helps the City's youth become ambitious workers and dependable individuals. Employment consists of light construction activities and outdoor clean crews at selected sites in the City. Additionally, private businesses in the City provide clerical job training opportunities to improve participant work skills.
2	Project Name	Community Policing Program
	Target Area	Downtown Lynn (including Lynn Downtown Cultural District)

	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$30,000
	Description	This public safety program will provide additional police coverage in Lynn's Downtown area and selected target neighborhoods throughout the City during peak hours of activity. The program will provide additional foot patrols in the most crime-ridden areas to enhance the safety of businesses, customers and residents. The goal of the program is to reduce crime by connecting with the community on a personal level and engaging the community as part of the solution to criminal behavior. Officers will patrol selected areas on a more frequent basis and interact directly with local individuals to address related public safety concerns. The Community Policing Initiative will benefit over 28,000 individuals, 74% being of low/moderate income. CDBG funds in the amount of \$30,000 will support this program. This activity will be completed by the end of the fiscal year.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	The Community Policing Initiative will benefit over 28,000 individuals, 74% being of low/moderate income.
	Location Description	Lynn Police Department, 300 Washington Street, Lynn, MA 01902
	Planned Activities	This public safety program will provide additional police coverage in Lynn's Downtown area and selected target neighborhoods throughout the City during peak hours of activity. The program will provide additional foot patrols in the most crime-ridden areas to enhance the safety of businesses, customers and residents. The goal of the program is to reduce crime by connecting with the community on a personal level and engaging the community as part of the solution to criminal behavior. Officers will patrol selected areas on a more frequent basis and interact directly with local individuals to address related public safety concerns.
3	Project Name	Catholic Charities

	Target Area	Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$5,000
	Description	Catholic Charities North (CCN) provides academic and career development activities for high-risk, low or moderate-income youth, young adults, and adults who have a wide range of academic and employment needs. Educational classes, computer literacy and skills training, career development, internships, community service, and job placement services assist participants in obtaining employment and achieving economic self-sufficiency. CDBG funds in the amount of \$5,000.00 will support this program which will service 200 low/moderate income individuals.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	CDBG funds in the amount of \$5,000.00 will support this program which will service 200 low/moderate income individuals, 100% being of low/moderate income.
	Location Description	Catholic Charities, 117 North Common Street, Lynn, MA 01902
	Planned Activities	Catholic Charities North (CCN) provides academic and career development activities for high-risk, low or moderate-income youth, young adults, and adults who have a wide range of academic and employment needs. Educational classes, computer literacy and skills training, career development, internships, community service, and job placement services assist participants in obtaining employment and achieving economic self-sufficiency.
4	Project Name	GLSS - Phoenix Food Hub - Home Delivered Meals (HDMs) to at Risk Population of All Ages
	Target Area	Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Expand Public Services and Other Supportive Svcs

	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$17,000
	Description	Greater Lynn Senior Services (GLSS) is collaborating with Lynn's Food Security Task Force (FSTF) and other organizations to develop a comprehensive nutrition hub for the City that will squarely address the critical issues of food-related health disparities currently experienced across the multiple populations comprising the City's under-resourced residents. The Phoenix Food Hub (PFH) will serve individuals and families at risk of nutrition insufficiency. PFH will expand its home delivered meals (HDMs) service, which is inclusive of Meals on Wheels (MOW), to at risk individuals of all ages currently not served by the MOW program. This project is expected to service 20-50 persons delivering 5,000 meals within the year, 100% being of low/moderate income.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	CDBG funds in the amount of \$17,000.00 will support this program which will service 20-50 persons delivering 5,000 meals within the year, 100% being of low/moderate income.
	Location Description	Greater Lynn Senior Services, 8 Silsbee Street, Lynn, MA 01901
	Planned Activities	Greater Lynn Senior Services (GLSS) is collaborating with Lynn's Food Security Task Force (FSTF) and other organizations to develop a comprehensive nutrition hub for the City that will squarely address the critical issues of food-related health disparities currently experienced across the multiple populations comprising the City's under-resourced residents. This project is expected to service 20-50persons, delivering 5,000 meals within the year, 100% being of low/moderate income
5	Project Name	Curwin Youth Education & Recreation Program LHAND
	Target Area	Central Lynn
	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services

Funding	CDBG: \$2,800
Description	The Curwin Youth Education & Recreation Program provides a comprehensive plan of recreational and educational activities for the youth of Curwin Circle, a public housing development containing 279 units of federally assisted housing for low-income residents. The program provides positive outlets for the youth and incorporates LHANDs anti-drug and violence mission. This program is an important tool in the LHANDs commitment to reduce the incidences of drug use and drug related violence in Curwin Circle. The programs main goals are to offer positive choices and provide healthy alternatives to the negative, self-destructive spiral of drug abuse and street violence and foster the development of a strong family living environment for the youth residing at Curwin Circle. This activity is expected to serve approximately 325 high-risk children ages 5-19 of which 100% are low/moderate income and 92% are from a minority group. Funding is used to fund the position of Youth Service Coordinator. CDBG funds in the amount of \$2,800.00 will support this program.
Target Date	6/30/2023
Estimate the number and type of families that will benefit from the proposed activities	This activity is expected to serve approximately 325 high-risk children ages 5-19, of which 100% are low/moderate income and 92% are from a minority group.
Location Description	92 Curwin Circle, Lynn, MA 01902

7	Project Name	Lynn Community Connections Coalition
	Target Area	Central Lynn Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$3,700
	Description	The Lynn Community Connections Coalition (LCCC) is an organization that is fiscally represented by the Lynn Housing Authority & Neighborhood Development. LCCC is designed to support families with services. LCCC compiles information on services, programs, and available benefits for families. LCCC will hold a gathering of partnering agencies and school guidance counselors to offer rising high school juniors and seniors a session to talk about pathways after high school. Students will be able to make connections as well as follow up appointments to talk about perspective interests. A key part of this program will include the hiring of an intern to serve as a student liaison for student follow up after the event. The gathering will allow students to explore future opportunities. Topics covered will include assistance with moving onto college, pursuing a trade or secondary training, or entering the workforce. CDBG funds in the amount of \$3,700.00 will support this program which will service 75 low/moderate income individuals.
	Target Date	6/30/2023

	Estimate the number and type of families that will benefit from the proposed activities	This program will service 75 individuals, 70% being of low/moderate income and 28% being of a minority group.
	Location Description	39 Curwin Terrace, Lynn, MA 01905
	Planned Activities	The Lynn Community Connections Coalition (LCCC) is an organization that is fiscally represented by the Lynn Housing Authority & Neighborhood Development. LCCC will support rising High School Juniors and Seniors of Lynn by offering a city wide informational session on next steps after high school. LCCC will compile information on services, programs, and available benefits for students. LCCC will gather partnering agencies and school guidance counselors to offer students a session to talk about pathways after high school. The gathering will allow students to explore future opportunities. Topics covered will include assistance with moving onto college, pursuing a trade or secondary training, or entering the workforce. A key part of this program will include the hiring of an intern to serve as a student liaison for follow up after the event.
8	Project Name	Raw Art Works
	Target Area	Central Lynn
	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$2,200

	Description	Raw Art Works is a nationally recognized, community-based youth arts organization that uses the power of the arts to nurture growth in at-risk children and teenagers. As part of its RAW Chiefs Program, 14 at-risk teens ages 14+ are hired to assist staff in leading arts groups for younger children. RAW Chiefs develop and help other children develop both art skills (i.e. painting, drawing, and multi-media collage) and life skills (i.e. teamwork, conflict resolution, and leadership). The RAW Chiefs provide the younger children with role models of teens from their own community who are committed to resisting high-risk activities, and making the choices necessary to become strong, creative adults. CDBG funds in the amount of \$2,200.00 will support this program which will service 152 Lynn youth.
	Target Date	6/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	This program will service 152 Lynn youth, 85% being of low/moderate income and 75% being of a minority group.
	Location Description	37 Central Square, Lynn, MA 01901

Classes are offered two hours a week for 10 weeks in the spring and fall of each year and will include instruction and all materials. If there is enough interest from Lynn residents, ODIS will offer a free citizenship class in Lynn. This activity will be funded \$1,900.00 of CDBG funds.
17	Project Name	Pathways Adult Education & Training
	Target Area	Central Lynn

Goals Supported	Expand Public Services and Other Supportive Svcs
Needs Addressed	Public Services and Other Supportive Services
Funding	CDBG: \$1,900
Description	Pathways provides Adult Education Programming for low income residents of Lynn (16 years or older), not currently enrolled in secondary school or college, who do not possess a high school diploma, or have a HS diploma from another country, and who want to obtain a high school equivalency degree or improve their basic academic skills. The target population is in need of improving English language skills; reading, writing and math skills; education and career planning; employment; and postsecondary education or training in order to be competitive in the region's labor market. Pathways offers: four levels of ESOL classes and three levels of ABE/GED classes and a HiSET(GED) preparation course in Spanish. Pathways offers braided Integrated Education and Training programs leading to industry recognized certification. Additionally they offer U.S. Citizenship classes; computer literacy classes and English conversation classes. Workforce Development program integrates work and career readiness skills into the core curriculum. This includes a self-assessment, labor market analysis and job search skills. Students learn to develop a resume, practice job interviewing skills and find a job and a career path that leads to living wage employment.
Target Date	6/30/2023
Estimate the number and type of families that will benefit from the proposed activities	Pathways assist 300 individuals each year, 98% being of low/moderate income.
Location Description	Pathways, 330 Lynnway, Suite 302, Lynn, MA 01901

	Planned Activities	Pathways offers: four levels of ESOL classes and three levels of ABE/GED classes and a HiSET(GED) preparation course in Spanish. 19	Project Name	GLSS Phoenix Home
	Target Area	Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$2,000
	Description	Phoenix Home focuses on addressing the issue of elder homelessness and housing insecurity in Lynn. GLSS is able to support these vulnerable consumers by helping them to develop the problem-solving capacities necessary to navigate the often complex processes required to realize and sustain housing stability, Phoenix Home will also: 1. Actively promote and assist in the development of a community-wide collaborative effort to coordinate, integrate, and make more accessible all available housing and housing-related resources. 2. Serve as a critical "gateway" to a range of social and support services addressing nutrition, mobility, health education and counseling, and behavioral health symptomologies through a coordinated system of referrals within the newly developed Phoenix Food Hub, of which Phoenix Home is a primary wrap-around support. 3. Capture relevant data to measure program impact and correlate with key health and well-being indicator. This project is expected to service 200 persons, 100% being of low/moderate income.
	Target Date	6/30/2023

	Estimate the number and type of families that will benefit from the proposed activities	This activity is expected to service 200 persons, 100% being of low/moderate income and 90% being of a minority group
	Location Description	This activity is expected to service 200 persons, 100% being of low/moderate income and 90% being of a minority group
	Planned Activities	Phoenix Home focuses on addressing the issue of elder homelessness and housing insecurity in Lynn. GLSS is able to support these vulnerable consumers by helping them to develop the problem-solving capacities necessary to navigate the often complex processes required to realize and sustain housing stability, Proposed Activities include: 1. Community Advocacy: ensure that the community-at-large knows that GLSS Housing Advocacy services are available, especially in support of older adults who are not connected with other services. 2. Community Collaboration: enhance relationships with other community agencies; encourage bi-directional referrals, cross-agency supports. 3. Individual supports: a) Determine needs/desires of consumers; b) Identify safe, affordable housing options; c) Assist with housing applications: obtaining supporting documents, translating, completing forms, mailing to appropriate housing sites; d) This includes "home" visits to collect missing documents; e) Manage follow-ups: GLSS provides consumers with internet access or acts as intermediary to receive and send email communications; f) Provide advocacy/mediation with landlords to prevent evictions, maintain housing; g) Legal supports: Guide client thru court proceedings, in-person or via Zoom; connect clients with legal aid services; h) Resource navigation.
20	Project Name	Community Movie Program
	Target Area	Central Lynn Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Expand Public Services and Other Supportive Svcs
	Needs Addressed	Public Services and Other Supportive Services
	Funding	CDBG: \$20,000

Description	<p>The Office of Economic and Community Development and the Lynn Parks & Recreation Department will coordinate a Community Movie Program, providing free and local family movies for Lynn residents. The program will offer both passive and active recreational opportunities primarily to Lynn Youth. This activity is an eligible public service activity and meets the national objective set forth in Section 570.208 (a) (1) Area benefit activities. The activity is also consistent with the Annual Action Plan goal to "Expand Public Services and Other Supportive Services". Four summer movies will be held at the Goldfish Pond Park, where free boat rides will be given on Goldfish Pond, Gallagher Park, Red Rock Park, and Magnolia Park. A free movie will also be held in the Lynn Auditorium during the annual Lynn Common Tree Lighting Ceremony in December. The purpose of this program is to improve the quality of life in Lynn's neighborhoods and to encourage and promote diversity among Lynn residents. CDBG funds in the amount of \$20,000.00 will be used for movie rentals, projector equipment rentals and temporary provision of porta-potties at selected sites. Funds allocated for this project will have a citywide benefit, benefiting approximately 5,000 persons, 58% of whom will be of low/moderate income. This activity will be completed by the end of the fiscal year.</p>
Target Date	6/30/2023
Estimate the number and type of families that will benefit from the proposed activities	Funds allocated for this project will have a citywide benefit, benefiting approximately 5,000 persons, 58% of whom will be of low/moderate income.
Location Description	Lynn Department of Community Development, Room 311, Lynn City Hall, Lynn, MA 01901

21	Project Name	Northeast Legal Aid (NLA) Small Business Legal Assistance
	Target Area	Market Street Gateway Washington Street Gateway Central Lynn Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Promote Economic Development
	Needs Addressed	Economic Development
	Funding	CDBG: \$32,000

Description	<p>NLA will create a Community Development Unit to provide support for small businesses in the Lynn community in order to help stimulate economic growth and provide support to low-income and minority business owners who often lack the resources to navigate the complex business related legal issues. The project will involve the hiring of a small business attorney to provide support for issues such as incorporation and choice of entity, support for contract negotiation, contract drafting, contract review, employment law, licenses, permits, zoning, intellectual property counseling, commercial leases, and financing. Legal assistance would ensure that business owners are able to be part of the engine that drives development and creates jobs in their communities. NLA's Community Development Unit would work closely with local business incubators and local economic development organizations to coordinate support for small businesses. Legal assistance would not only make sure new businesses are able to open in the community, but also help these new businesses thrive.</p>
Target Date	6/30/2023
Estimate the number and type of families that will benefit from the proposed activities	<p>NLA estimates the following:</p> <ul style="list-style-type: none"> - Number of businesses served (Goal: 20 per year) - Number of new businesses formed (Goal: 5 per year) - Number of new jobs created (Goal: 20 per year) - Number of trainings (Goal: 5 per year) - Number of people served (Goal: 50 per year) <p>Percentage of Low and Moderate-Income Persons Expected to Service is 75%</p>
Location Description	181 Union St. #201A Lynn, MA 01901

	Planned Activities	NLA will create a Community Development Unit to provide support for small businesses in the Lynn community in order to help stimulate economic growth and provide support to low-income and minority business owners who often lack the resources to navigate the complex business related legal issues. 	Needs Addressed	Homeownership
	Funding	CDBG: \$25,000

Description	LHAND administers two homebuyer programs as follows: Realizing the Dream of Homeownership is meant to expand the affordability of homeownership to eligible first-time buyers whose savings and income are inadequate to meet certain costs associated with the purchase of a 1-4 residential property. This program is available city wide and the resources from this program will be in the form of a second mortgage. Homebuyers will be eligible for a \$5,000 forgivable deferred loan and a 0% \$5,000 amortized loan for a term of 5 years for the maximum amount of \$10,000. The assistance is only for down-payment, closing costs, increasing energy efficiency and the correction of code violations. The One Mortgage Assistance Program provides down payment and closing cost assistance for those who are participating in the state approved Soft Second Program. The Soft Second loans are available to low and moderate income first-time homebuyers to reduce their first mortgage amounts and eliminate the need for Private Mortgage Insurance and make homeownership more affordable. LHAND will match up to 1.5% of the down payment amount and provide closing cost assistance for a maximum amount of \$5,000 in the form of a forgivable deferred loan to eligible first-time buyers whose savings and income are inadequate to meet the cost associated with the purchase of a 1-4 residential property. It is estimated that 10 households (est. 5 minority households) will be served during FY23 utilizing \$25,000.00 in grant funds. This program is available city wide.

42	Project Name	ESG 22 LYNN
	Target Area	Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Reduce Homelessness
	Needs Addressed	Homelessness
	Funding	ESG: \$203,992
	Description	The city will allocate 203,992.00 towards ESG activities under the shelter, rental assistance, street outreach, and administration components. Shelter ComponentThe City will allocate \$89,715.00 towards the emergency shelter component. Dollars will be allocated towards shelter operations and essential services carried out at the Multi-Service Center, Lynn Shelter Association, and Haven Project locations. The Multi-Service Center currently houses four non-profit tenants that provide supportive services for Lynn's homeless and at-risk individuals: My Brother's Table, Lynn Shelter Association, Healthy Streets Outreach Program and the Essex County Sheriff's Department. \$49,715.00 in ESG funds will be available to provide operations and security services at this facility. The Lynn Shelter Association will receive \$20,000 in ESG funds for operational expenses related to its day program for homeless individuals. The program offers support and services to adults of Lynn who are experiencing homelessness. The Haven Project will receive \$20,000 in ESG funds for operational expenses related to its Drop-In Center for Homeless Young Adults. The program offers support and services to young adults of Lynn who do not have a safe and stable living environment.Rental Assistance Component The city will allocate \$72,000.00 in ESG funds to LHADG to provide tenant rental assistance in the form of first/last month's rent, security deposits, and short-term rental assistance up to 12 months and rental arrearages up to a 6 month look back period to eligible residents. Street Outreach Component The city will allocate \$28,000.00 towards street outreach and advocacy services. Administration Component The City will allocate \$14,277.00 towards administration expenditures
	Target Date	6/30/2023

	Estimate the number and type of families that will benefit from the proposed activities	Approximately 8,223 homeless and at-risk individuals will be serviced by the aforementioned activities.

	Planned Activities	ESG funds will be allocated for a day program and drop in center for homeless individuals, operations and security services, and rental assistance.
43	Project Name	GAR Hall and Museum Accessibility Improvements
	Target Area	Downtown Lynn (including Lynn Downtown Cultural District)
	Goals Supported	Improve Public Facilities and Infrastructure
	Needs Addressed	Public Facilities and Infrastructure
	Funding	CDBG: \$40,000,000

<p>Description</p>	<p>The Trustees of the Grand Army of the Republic (G.A.R.) & the City of Lynn are undertaking an estimated \$1.8MM renovation project of the G.A.R. Hall & Museum building to make it universally accessible. The core of this work is the installation of an elevator interior to the building, as well as an accessible entrance from the street. The scope of work also includes changes to create accessible restrooms and upgrades to the electrical, fire suppression, and HVAC systems necessary to operate the new elevator. At the conclusion of this work, the building will be ADA-compliant and up to building code. The G.A.R. Hall & Museum is listed on the National Register of Historic Places. It is a place that holds much history and cultural significance for the City of Lynn. Built in 1885, the Hall enjoyed active use by the General Frederick W. Lander Post #5 of the Grand Army of the Republic from its opening in 1885 until 1919, when the last Civil War Veterans decided to convey ownership of the building to the City of Lynn with management of the building and its collection of artifacts entrusted to the Trustees of the G.A.R. During the 100 plus years that the City of Lynn has owned the G.A.R. Hall & Museum, the building has fallen into disrepair. The few upgrades that this building has enjoyed in its 137-year life include a new roof, new boiler, a sprinkler system (currently not working), and some upgraded electrical areas. The delaminating main facade of the building has remained temporarily reattached to the building since 2016, with the emergency scaffolding still present. Numerous leaks are evident in all the windows, water is seeping in through the basement floor and the building remains unventilated and uncooled in the summer. Most significant, the building is not accessible to all people with differing physical abilities. Currently the G.A.R. Hall and Museum is used for public programming & operates as a public museum; however, visitation and use are low and restricted as its current physical state provides limited accessibility. CDBG funds in the amount of \$400K will be allocated to the renovation project for accessibility improvements. CDBG funds will leverage \$1.2MM in ARPA funds secured by the Trustees of the G.A.R. as well as private fundraising dollars and a loan to the Trustees of the G.A.R. for approximately \$200K from EDIC Lynn. Once complete the facility will be accessible to all Lynn residents resulting in increased visitation and use for civic engagement and educational resource programming, Veterans programming, educational field trip opportunities for the Lynn Public Schools, and community event programming. The completed accessibility improvements will provide a city-wide benefit to all residents of the City of Lynn, a majority of whom are low to moderate income individuals. The project will meet the National Objective of benefitting low- and moderate-income persons on an area wide basis (citywide); 24 CFR 570.208(a)(1) with a presumed direct benefit to disabled individuals as CDBG funds will be used for an activity that assist persons with disabilities by removing architectural barriers from or providing ADA improvements. The LMA National Objective for this activity (Matrix Code 93A) was reviewed with HUD prior to amendment 390 proposal. Prior year CDBG funds allocated to Infrastructure Development Program activity (IDIS #4742) will fund this project. This project was proposed through a substantial amendment process which included a public hearing and 30-day comment period. The proposed amendment received support of the Lynn City Council, City Office of Community Development, and City of Lynn.</p>
---------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Target Date	8/31/2024
Estimate the number and type of families that will benefit from the proposed activities	The GAR Hall and Museum Accessibility Improvement project will have a city wide benefit as the GAR is open to all residents of the City of Lynn, 59.19% of which are low to moderate income. It is estimated the project will benefit 23,000 persons (17,000 Lynn Public School Students, 5,000 residents).
Location Description	Grand Army of the Republic (G.A.R.) Hall & Museum 58 Andrew Street Lynn, MA 01901
Planned Activities	The Trustees of the G.A.R. and the City of Lynn are undertaking an estimated \$1,800,000.00 renovation project of the Grand Army of the Republic Hall and Museum building to make it universally accessible. The core of this work is the installation of an elevator interior to the building, as well as an accessible entrance from the street. The scope of work also includes changes to create accessible restrooms and upgrades to the electrical, fire suppression, and HVAC systems necessary to operate the new elevator. At the conclusion of this work, the building will be ADA-compliant and up to building code.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

While investments will continue to be made in projects citywide, the City has identified a series of local target areas which are high priority revitalization zones that are targeted for intensive housing, economic development and other improvements in future years. Priority areas are:

Downtown Lynn (including Lynn Downtown Cultural District)

- Waterfront District
- Market Street Gateway
- Washington Street Gateway
- Central Lynn

Boston Street Corridor

A summary of each area can be found in section SP-10 of the Consolidated Plan.

Geographic Distribution

Target Area	Percentage of Funds
Waterfront District	1
Market Street Gateway	5
Washington Street Gateway	5
Boston Street Corridor	6
Central Lynn	39
Downtown Lynn (including Lynn Downtown Cultural District)	44

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

As previously noted, the City intends to continue to invest in needed programs on a citywide basis, while prioritizing economic development and housing activities in the local target areas described in the Consolidated Plan in future years. As identified through multiple community planning processes, the basis by which the City allocates investments geographically is to focus on currently underutilized locations in and around higher density neighborhoods that present the largest opportunity to generate economic development and housing benefits for low and moderate-income residents and the broader community.

Discussion

Please see above.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

As discussed in the Consolidated Plan, the lack of affordable, quality housing is the most significant and common housing problem in Lynn, and it impacts both renters and homeowners. As housing costs increase without a corresponding rise in incomes, housing issues such as cost burdens, overcrowding, unsuitable housing, and homelessness can reasonably be expected to increase. Please see the Consolidated Plan for additional information.

One Year Goals for the Number of Households to be Supported	
Homeless	100
Non-Homeless	1,750
Special-Needs	100
Total	1,950

Table 9 - One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households Supported Through	
Rental Assistance	1,890
The Production of New Units	10
Rehab of Existing Units	20
Acquisition of Existing Units	30
Total	1,950

Table 10 - One Year Goals for Affordable Housing by Support Type

Discussion

Please see above and the City's Consolidated Plan for additional information.

AP-60 Public Housing – 91.220(h)

Introduction

Over the course of the Annual Plan period, Lynn Housing Authority & Neighborhood Development (LHAND) will implement a series of activities to address the needs of its public housing stock and of LHAND residents and voucher program participants as further described in the PHA Annual Plan submitted to HUD.

Actions planned during the next year to address the needs to public housing

See LHAND's PHA Annual Plan for a full description of planned actions and strategies. As the City's public housing authority, LHAND remains firmly committed to serving its residents and to achieving excellence in property management. Over time, LHAND has implemented numerous efficiencies including a comprehensive energy-savings program, ongoing staff training initiatives, cost-savings capital improvements and responsive maintenance services.

LHAND has also pursued alternative funding sources to support both the physical needs of its developments and the supportive service and other needs of its residents. Wherever possible, activities are planned in a manner that promote neighborhood revitalization and support the City's overall economic development goals and strategies.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

LHAND will continue to work with and support resident councils at their public housing sites, and to encourage resident involvement in the development and implementation of housing policy.

In partnership with the City, LHAND will work to expand and support Initiatives to enable low and moderate-income households to become first time homebuyers. LHAND will continue the Section 8 Homeownership Program, including applying for additional vouchers when available for use as homeownership opportunities.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

LHAND is not designated as troubled.

Discussion

See above discussion.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The Lynn Continuum of Care (Lynn CoC) oversees the City's homeless strategy and the administration of all McKinney-Vento/HEARTH Act-funded grants, except McKinney-Vento funds that are directly allocated to the Lynn Public Schools. The Lynn CoC is a broad-based coalition comprised of local social service organizations, homeless advocates, health service agencies, State agencies, local government representatives, consumers, and the local housing authority. The Lynn Housing Authority & Neighborhood Development (LHAND) is the lead agency for the Lynn CoC. The City is represented on the Lynn CoC by staff of the City's Department of Community Development (DCD) and Veterans Services. The Lynn CoC meets monthly to identify gaps in homeless services, additional affordable housing opportunities, funding opportunities and to review, evaluate, and improve upon the overall service delivery system for Lynn's homeless population. The Lynn CoC is responsible for implementation of the HEARTH Act and consistently works to meet its requirements such as use of a standard assessment tool and Coordinated Entry System. The Lynn CoC also reviews and approves the City's annual ESG plan, oversees the yearly Point-In-Time Count and hosts an annual city-wide public hearing on the needs of the homeless.

The Lynn CoC has been in existence for approximately 27 years and has brought over \$50,000,000 in housing and support services to the City. The Lynn CoC coordinates the development and submission of the yearly consolidated McKinney-Vento application for funds to HUD and currently receives in excess of \$2 million annually. The Lynn CoC has developed a comprehensive housing and supportive services delivery system consisting of emergency shelter, transitional housing and permanent supportive housing units for both individuals and families. A total of 1,265 housing and shelter beds have been brought on line over a multi-year period. Sub-populations provided housing includes the chronically homeless, families with children, homeless individuals, veterans, survivors of domestic violence, and unaccompanied youth. Supportive services include prevention and outreach activities, case management, legal advocacy, job training and employment, representative payee, alcohol/substance abuse, mental health, educational services, meal programs, housing search, and general health care programs.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their

individual needs

As previously discussed in the City's Consolidated Plan under SP-60 Homelessness Strategy, the Lynn Shelter Association (LSA) is the central outreach point for Lynn's CoC. It may be accessed through Lynn CoC referrals, self-referrals, and street outreach workers. Case managers are available for walk-ins as well as by appointment. While accessing services is encouraged, it is not mandatory. The City will continue to provide ESG funding to support a Street Advocate overseen by the LSA. In addition, the City will continue to fund operational costs of LSA's day program, a source for outreach and assessment activities located in Lynn's Multi-Service Center.

Street advocates from other agencies, as well as the City's police department, provide outreach to the City's homeless on a daily basis. The street advocates spend time in areas frequented by homeless persons, encouraging utilization of supportive services. Since the Lynn CoC approach is to utilize multiple services, each agency has a working knowledge of community resources and is responsible for documenting referrals. Individual agencies also provide assessment services and referrals to appropriate housing and services.

Eliot Community Human Services, through its Aggressive Street Outreach (ASO) program provides street-based assistance to homeless individuals who live on the streets and rarely or never use shelters. Tangible items such as food and blankets are offered in an effort to build trust while engaging individuals to accept mental health services, benefit assistance, and housing support.

The CoC's goals and objectives are highlighted below and build upon the previous work of the City and the Lynn CoC.

Addressing the emergency shelter and transitional housing needs of homeless persons

The Lynn CoC's Goal 3 – **to reduce the amount of time people spend homeless** is focused on reducing the number of families housed in shelters and transitional housing by creating more units of permanent housing, providing stabilization case management services, increasing the number of congregate shelters to help move motel families into a service rich environment and establishing a central resource center for information and referral services. These initiatives will continue during the coming year.

Lynn will continue to utilize CDBG and HOME funds as well as providing RAFT, HomeBASE, ESG, ERMA, and SSVF funding through the Family Success Centre (FSC). These programs support the efforts of many of the agencies participating within the Lynn CoC addressing emergency shelter and transitional housing needs of homeless persons and to prevent households from becoming homeless. Various projects funded include the City's Multi-Service Center, Street Advocate, rapid re-housing for individuals and families including rental assistance including down payment assistance, security deposits, first and last month's rent, rental arrearage payments and short-term rental assistance. The City's Department of

Community Development (DCD) and Veterans Services Office will remain active within the Lynn CoC.

Emergency shelter and supportive services are provided by the Lynn Shelter Association (LSA). The Lynn Shelter provides emergency housing to homeless men and women over the age of eighteen. LSA also provides emergency housing for families each night at the Bridge House, the Green House & the Independence House Family Shelters. The City will continue to support a Street Advocate as well as fund space at the City's Multi-Service Center.

In addition, Eliot Community Human Services' shelter specialists, working out of the Lynn Shelter, provide supportive services to the homeless population in Lynn. Also, the Eliot Community Human Services' Project for Assistance in Transition from Homelessness (PATH) provides mental health assessment, treatment, advocacy, benefit assistance, DMH referrals, housing assistance and other support services to the adult homeless population.

The City and the Lynn CoC implements a Coordinated Entry System (CES), which will be available to anyone who is homeless in the City. Homeless individuals and families will be able to go to one location and receive the referrals and assistance needed. This process allows for client tracking and minimizes the risk of duplication of effort or service provision. The Coordinated Entry Specialist will continue to work with agencies to engage them in the CES.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

To support the efforts of Opening Doors, Federal Plan to Prevent and End Homelessness (Goal 6), the Lynn CoC will focus its efforts on increasing the number of veterans using SSVF, VASH and other services the coalition has developed over the past few years. In addition, the Lynn CoC will continue to identify additional opportunities to create housing including a facility to house veterans with children.

The City, through the Department of Community Development, will continue to subcontract with Lynn CoC providers to assist families and individuals in existing emergency shelter and transitional housing programs move to permanent housing. The City and the Lynn CoC agencies will work together to secure additional sources of funding to provide permanent housing opportunities. Examples of non-entitlement funding includes State family prevention resources as well as housing vouchers, Family Unification Program (FUP) vouchers, Federal VASH vouchers and Supportive Services for Veterans and their Families (SSVF) funds. In addition, Lynn Housing Authority & Neighborhood Development (LHAND),

the Lynn CoC lead agency, offers a HOME Tenant Based Rental Assistance (TBRA) program and administers a sponsor-based Shelter Care Plus program that houses both homeless individuals and families.

The City supports a “Housing First” model by addressing the barriers that prevent households from leaving shelter and transitional housing programs and helping clients to move quickly from homelessness to self-sufficiency and independent living. This is accomplished by providing households with security and utility deposits, and short or medium term rental assistance. Clients receive case management targeted to gaining employment and budgeting and financial competency. As previously stated, the Lynn CoC has developed approximately 309 permanent housing beds to serve this population.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Again, in line with implementation of the Federal Opening Doors Plan, the Lynn CoC has established goals and objectives (Goals 6 & 7) that seek to reduce and end homelessness among children, youth and families that focus on developing intervention models for certain underserved and over-represented subgroups, access to educational resources for youth and expanding public – private partnerships that seek to integrate diverse yet important supports and resources for children and youth. By establishing the goal of returning homeless families to permanent housing within 30 days, the City and the Lynn CoC have developed an ambitious agenda to increase housing opportunities by reaching out to the private sector and expanding outside of Lynn into the regional for resources.

Lynn will continue to utilize CDBG, HOME, RAFT, HomeBASE and ESG funding to support the efforts of many of the agencies participating within the Lynn CoC providing supportive services and housing related activities. Various projects funded include the City’s Multi-Service Center, Street Advocate, and rental assistance including down payment assistance, security deposits, first and last month’s rent and short-term rental assistance. In addition, the City allocates a sufficient amount of CDBG public services funds to community agencies that provide education, cultural, health, family support and recreational activities that are geared to serving Lynn’s low-income population.

The City and the Lynn CoC have built a broad-based and coordinated system of housing resources and supportive services designed to move homeless and “at risk” families and individuals toward permanent housing and economic self-sufficiency. The major services offered include emergency housing

assistance, housing search, housing and support services for abused women and their children, rental assistance, legal services, rep payee, outreach, case management, free meals, alcohol/substance abuse and mental health services all of which are also offered through LHAND's Family Success Center.

In addition to the housing resources specifically targeted to the homeless, the City has a substantial portfolio of other affordable, subsidized housing units and vouchers that serve low-income households who may have been homeless before occupancy and/or would be homeless if these housing resources did not exist.

Discussion

Lynn's strategy to end homelessness is based on the idea that issues surrounding homelessness are best addressed through the coordination of services and by accessing different social service providers that specialize in one particular field, rather than having one agency try to meet all of the needs of the homeless population. The following overall objectives reflect the continuum's policy of facilitating the movement of clients through the Lynn CoC and ensuring that supportive services and housing are provided to homeless individuals and families in an effective and efficient manner.

- Continue to work with regional communities through the North Shore Housing Action Group (NSHAG) to implement regional solutions to the homelessness problem, including encouraging development of supportive housing resources throughout the region.
- Continue working with the Commonwealth and Federal government to best utilize the housing first model and transition project into this approach.
- Reduce and ultimately end chronic homelessness.
- Create additional permanent housing, job training, employment and supportive service opportunities for the chronic and other homeless populations focusing on parental support programs for families with children.
- Facilitate access to housing, health care, nutrition and other supportive services for persons with HIV/AIDS using HOPWA and other available funds.
- Facilitate access to home care, nutrition, housing, transportation, recreation, and medical services for seniors and non-elderly disabled households.
- Apply for VASH and other available vouchers that can be combined with supportive services to address the needs of veterans and other sub-populations.
- Facilitate access to emergency services, counseling, support and permanent housing services for abused women and their children.
- Maintain services for unaccompanied homeless youth.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

While not all are directly impacted by public policies, barriers to additional affordable housing in Lynn include the extremely limited funding available from federal and state government sources; the high cost of land and housing in the local and regional markets; the limited availability of land for development; and, the aged conditions of a majority of the housing stock which increases rehabilitation costs.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

A key objective of the “Housing Lynn” process was to identify strategies and recommendations to help increase the supply of affordable housing in the City. The report identified an overall vision that “Lynn’s housing will be safe, affordable and accessible. New housing will meet the needs of Lynn residents and increase the strength and vibrancy of neighborhoods. Housing will enable everyone to thrive in a community that is inclusive to all.” This vision is supported by a series of six (6) goals, each of which has implications for affordable housing development, public policy decision-making and resource allocation:

Goal 1: Affordable Housing. Facilitate greater production of housing in Lynn that is deed-restricted to be affordable to residents with incomes below the local median of \$53,500.

Goal 2: Anti-Displacement. Establish protections against displacement for vulnerable residents.

Goal 3: Building Safety. Ensure building maintenance and safety standards are enforced.

Goal 4: Integrated Neighborhoods. Welcome residential development that advances integration and prevent discrimination in tenant practices.

Goal 5: Representative Governance. Increase representation in municipal governance, transparency and engagement in decision-making.

Goal 6: New Development Benefits. Leverage market-rate and mixed-income residential development to meet a range of housing needs, provide community benefits and support economic development.

In addition to these broad goals, twelve (12) priority actions are recommended with respect to housing including, but not limited to: using the City’s zoning ordinance to facilitate development of varied

housing at a range of prices; providing tax incentives for deeper affordability; providing public land for affordable housing development; support Community Development Corporations and other non-profit developments to complement and strengthen Neighborhood Development Associates' efforts to increase the supply of new affordable housing; adopting various policies and initiatives to protect the rights of Lynn renters in a changing real estate market; and, others. The City intends to use this framework to help guide Consolidated Plan funding decisions in the future where applicable.

It should be noted that recent zoning changes have promoted increased density and transit-oriented development in key target areas. The City continues to support development of affordable housing including the recently completed Gateway Residences project, which includes affordable units in a transit-oriented development site. The project supports and enhances the City's broader revitalization goals for the Washington Street Gateway and TDI initiatives.

Discussion:

In addition to the above, the City has reviewed HUD's Interim Final Rule on Affirmatively Furthering Fair Housing (AFFH), which was published in the Federal Register on June 10, 2021. In accordance with the Interim Final Rule, the City and LHAND certify that they will affirmatively further fair housing, to be defined as "taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with racially balanced living patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing."

AP-85 Other Actions – 91.220(k)

Introduction:

This section includes a discussion of efforts to meet underserved needs, foster and maintain affordable housing, reduce lead-based paint hazards, reduce the level of poverty, develop institutional structure, and enhance coordination between public and private housing and social service agencies.

These efforts will be conducted as part of the City's plans, as stated in its Strategic Plan, to accomplish the jurisdiction's goals in addressing priority needs.

Actions planned to address obstacles to meeting underserved needs

The City plans to continue to respond to the many supportive service needs of Lynn's low and moderate income residents, including the special needs populations identified in the Consolidated Plan. This includes providing services to public housing residents, seniors, at-risk youth, linguistic minorities, victims of domestic violence and other groups. Examples of related projects include the Lynn Council on Aging's Senior Center, Lynn Youth Street Outreach Advocacy's (LYSOA) Youth Community Impact Program, and Healing Abuse Working For Change, Inc.'s (HAWC) Domestic Violence Prevention and Intervention Services.

In addition, the Lynn CoC plans to continue its efforts to: reduce and ultimately eliminate homelessness, respond to the needs of homeless individuals and families, and prevent homelessness among at-risk populations. Examples of related projects include programs offered by the Lynn Shelter Association and the Lynn Multi Service Center.

Actions planned to foster and maintain affordable housing

The City plans to continue its efforts to foster and maintain affordable housing by creating new rental housing units, securing adequate capital and operating funds for LHAND's public housing, preserving existing affordable housing including expiring use developments, and providing tenant-based rental assistance. Examples of related projects include: the Lynn Housing Authority Development's Rental Assistance Program; and, LHAND's Neighborhood Stabilization Program, Tenant Based Rental Assistance Program & Housing First Program, and Affordable Housing Rehabilitation Program.

Actions planned to reduce lead-based paint hazards

Through LHAND, the City will continue to work with the state and City's health department to identify children with elevated blood levels in order to prioritize and abate lead hazards and also to proactively

address the dangers of lead-based paint found in the aging housing stock. LHAND will continue to administer the Lynn Lead Abatement Program (LLAP) utilizing 2019 competitive grant fund. The agency will also continue to enforce lead-based paint policy for all Housing Choice Voucher program leasing.

As discussed in Section SP-65 of the Consolidated Plan, LHAND is currently administering the Lynn Lead Abatement Program (LLAP). More than 400 homes will be de-leaded through a \$9.3 million grant funded in 2019 by the US Department of Housing & Urban Development. While the City has estimated that over \$450 million will be needed to eliminate lead paint hazards, this grant will make a major contribution to addressing the problem. Created to make homes safer for low-income families, the goal of the LLAP is to provide lead paint abatement for low and moderate income individuals in order to create decent, safe, and affordable housing for all Lynn residents while ensuring that low-income families no longer have to choose between a lead safe environment for their children and housing they can afford. Eligibility requirements for participation in the grant program will require that a property be located in the four designated high impact census tracts in the City of Lynn. The tracts identified that will have the highest impact on reducing lead paint are 2070, 2062, 2061, 2055. This program provides:

A one-time grant averaging \$11,000 per unit to perform lead hazard abatement in eligible properties.

- Initial Lead Inspection and a re-inspection with dust wipe test.
- Relocation assistance for occupants when necessary.
- Letter of Full De-leading Compliance.
- Healthy Homes funding to address any additional health hazard as deemed necessary by LHAND.

Over more than 10 years LHAND has successfully utilized HUD grant funds to provide a range of services, including inspections; testing of children under the age of six; de-leading of units, common areas and exteriors; relocation; contractor education; and other services. From 2009 through 2018, Lynn received \$9.1 million in HUD funds to make more than 600 homes safe. During this period, LHAND surpassed its benchmarks and received a high performing grant status.

In addition, LHAND also ensures that homes occupied by families with rental vouchers that have children under the age of 6 are lead safe by providing pre-occupancy inspections, connecting owners to lead remediation resources and other efforts. For additional information, please see the complete version of the Annual Action Plan, which is included as an attachment.

Actions planned to reduce the number of poverty-level families

Achieving a reduction in the number of families living in poverty remains a key goal of the City and its community partners. This objective is reflected in the Consolidated Plan strategic goals and priorities such as the focus on creating affordable housing for households at or below the local median income, and has helped shape the City's response to the COVID-19 pandemic.

As discussed in Section SP-70 of the Consolidated Plan, the consequences of poverty are borne by individual families and by a wide range of community systems including police, health care, schools and other vital institutions. As the City has limited resources to comprehensively address this issue, coordinating responses and leveraging resources through public-private partnerships are essential, as is a more far reaching commitment on the part of the state and federal governments. National and regional economic factors and trends outside of the City's control have an enormous impact on the extent of poverty in Lynn, i.e. the rate of poverty rises or falls based on the strength or weakness of the broader economy.

Lynn has an extensive network of qualified, mission-driven agencies that work continuously to address and mitigate issues related to poverty. Many agencies are partially supported with limited entitlement resources provided by the federal government, including Lynn CoC agencies. Collectively, Lynn CoC agencies provide an extensive set of programs and services that are intended to both respond to the needs of persons living in poverty and to provide opportunities to work towards economic self-sufficiency. A detailed discussion of CoC programs and policies and examples of anti-poverty and other services provided to special needs and at-risk populations are provided in the Market Analysis chapter.

A good example of a coordinated program initiative focusing on reducing poverty is the Lynn Family Success Center, which was started in 2014 by LHAND and United Way of Massachusetts Bay and Merrimack Valley in partnership with the Lynn Public Schools. The Lynn Family Success Center model is based on research that demonstrates that individuals who benefit from a center-based approach that offers bundled services and coaching are far more likely to increase their income, net worth or credit scores. The center also works to identify homeless children, and children at-risk of homelessness, and connect them to academic support and resources, and to also connect their families to the financial stability services. LHAND's housing and case management programs, services for veterans, CoC centralized intake services, partner agencies that provide child care resources and family nurturing programs for grandparents, fathers and families, and the planning coalitions for homeless services in the region are based at the Center.

For additional information, please see the complete version of the Annual Action Plan, which is included as an attachment.

Actions planned to develop institutional structure

The City and LHAND have a highly capable housing and community development delivery system, in partnership with a large network of non-profit organizations that deliver services to residents. The City

will continue to coordinate the use of CDBG, HOME, and ESG funding for economic development, housing development, and social services through the DCD, LHAND, and the Lynn CoC. A network of qualified and committed local agencies will continue to be essential partners in the delivery system.

As discussed in Section MA-30 of the Consolidated Plan, since its inception, the various organizations which comprise the Lynn CoC have built a broad-based and coordinated system of housing resources and supportive services designed to move homeless families and individuals toward permanent housing and economic self-sufficiency. The main fundamental services that Lynn CoC member organizations provide to homeless families and individuals under the categories prevention, outreach, and supportive services include emergency housing assistance, housing search, housing and support services for abused women and their children, rental assistance, legal services, rep payee, outreach, case management, free meals, alcohol/substance abuse and mental health services.

The City's Veterans Services Office, which is represented on the Lynn CoC, oversees services for veterans eligible for financial assistance under MGL c. 115 which supports services and housing resources to low income veterans. Housing assistance may include short-term rental assistance, back rent, utility assistance, first and last month rent or security deposits to prevent homelessness. Veterans not eligible for MGL c. 115 are provided resources from Lynn's CDBG, HOME or ESG programs and/or the state-funded RAFT Program. Health services for veterans are available through the Veterans Outreach Center located in Lynn. The Lynn CoC has been certified by HUD as having achieved functional zero related to veteran homelessness.

Chronically homeless individuals face barriers to obtaining housing because of mental illness and substance and/or alcohol abuse. Oftentimes, these clients do not follow through with referrals and treatments and refuse to accept available services. Other barriers include reductions in funding for existing programs and shortages of mental health, legal and substance abuse services. In the past, Lynn's emergency shelter has been utilized by the chronic homeless as a permanent residence. To reverse this practice, the Department of Community Development (DCD) funds a street advocate who aggressively targets the chronic homeless to transition them out of the shelter system and into transitional and permanent housing.

Today, as a result of this initiative, a permanent housing program for the City's chronic homeless, Great Hill, has housed over thirty (30) individuals, some who have been in the program since its inception. This program has been highly successful and has contributed a steady decline in the number of chronic homeless street population.

The City and Lynn CoC will continue to implement key strategies, studying best practices to end chronic homeless for both individuals and families with children, and improving the system to rapidly rehouse the homeless by fully implementing a "housing first" strategy. In addition, the City will work with the Lynn CoC to identify public and private resources that can fill in identified service and housing gaps. As the City and the Lynn CoC fully implement key strategies of the HEARTH Act, the service delivery system will continue to grow and strengthen.

Actions planned to enhance coordination between public and private housing and social service agencies

The City recognizes the importance of establishing and maintaining public-private partnerships and coordination with social service agencies. As discussed in Section PR-10 of the Consolidated Plan, DCD and LHAND work collaboratively and on an ongoing basis with a diverse group of housing providers, private industry, and private and governmental health, mental health and service agencies to plan for and address the needs of Lynn residents. As the City's Public Housing Authority, LHAND prepares the annual PHA Plan and is able to directly incorporate the needs and priorities of public and assisted housing residents into its ongoing program planning and implementation initiatives.

Through ongoing coordination initiatives such as the Lynn CoC, Lynn Business Partnership, Citizens Advisory Board and other efforts, the City will continue to reach out to and consult with business owners, major health and social service providers, housing providers including agencies providing services to homeless and at-risk households, organizations serving persons with AIDS and other special needs, state and regional agencies, and other citizens. The input from these consultations is used to inform and develop the goals and strategies for the City and identify resources and activities to address community needs. Continuing to support and foster focused, community-wide partnerships involving citizens, business owners, developers, non-profit providers, and government agencies will be a fundamental and essential component of the City's future strategy.

The City and LHAND will continue to emphasize the need for collaborative regional solutions to homelessness. Towards this end, LHAND serves as the administrator of the North Shore Housing Action Group (NSHAG), a network of 24 communities organized into three sub-regions. Through this regional collaborative, the City and LHAND work with other non-Lynn agencies to address regional homeless needs and develop supportive housing opportunities in communities that currently have little or no such housing.

Discussion:

Please see discussions above and additional information included in the complete version of the Annual Action Plan, which is included as an attachment.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	80.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

LHAND does not use HOME funds in any other manner beyond those identified in Section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

See the Resale/Recapture Guidelines, which are included as an attachment to this Annual Action Plan.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

See the Resale/Recapture Guidelines, which are included as an attachment to this Annual Action Plan.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

LHAND does not offer this program or any refinancing.

5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)).
6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)).

7. If applicable, a description of any preference or limitation for rental housing projects. (See 24 CFR 92.253(d)(3) and CFR 91.220(l)(2)(vii)). Note: Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a).

**Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

The City of Lynn's ESG Policies and Procedures are attached to this Annual Action Plan.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The City and Lynn CoC have built a broad-based and coordinated system of housing resources and supportive services designed to move homeless and at risk families and individuals toward permanent housing and economic self-sufficiency.

The City and the CoC have implemented a Coordinated Entry System (CES), which is available to anyone who is homeless in the City. Homeless individuals and families are able to contact one source and receive the referrals and assistance needed. This process allows for client tracking and minimizes the risk of duplication of effort or service provision. The CES has recently been updated to include bi-weekly case conferencing calls to further assist clients and minimize the length of time homeless. The CES has recently been updated to include bi-weekly case conferencing calls to further assist clients and minimize the length of time homeless.

In addition, the Lynn CoC received an HMIS Capacity Building grant from HUD that has been instrumental in developing new policies and procedures including user training mandates and data quality reviews. Through this grant, HUD also provided HMIS Technical Assistance to ensure that policies and procedures are compatible with HUD regulations and expectations. The grant also provided for the integration of the Lynn CoC Coordinated Entry into HMIS including the development of policies and procedures that require all ESG and CoC-funded organizations to enter relevant performance information into HMIS.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

DCD regularly consults with LHAND and other participants in the Lynn CoC on the prioritization and use of ESG resources. The Lynn CoC reviews and makes funding recommendations for the final allocation of funds. This process insures that funds address identified local needs and are utilized in an efficient manner in accordance with HUD and local guidelines.

Lynn CoC member agencies assist in setting standards for the outcomes homeless programs should accomplish during their contract period. Consultations with the Lynn CoC allow for an open dialog to discuss how to establish performance measures that address local needs and support the broader goals of the City. In doing so, the City is informed of the standards that ESG funds demand as well as other best practice outcomes and is able to incorporate these goals when negotiating contracts with sub-recipients.

ESG sub-recipients oversee implementation and ongoing management of Lynn's HMIS system. These sub-recipients administer the HMIS for the continuum and establishes uniform standards for all agencies to capture information for HUD reporting and local homeless strategies. All ESG-funded organizations enter relevant performance information into the HMIS system.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The membership of the Lynn City Council and Citizen's Advisory Board does not currently include a homeless or formerly homeless person; however, in accordance with the requirements of 24 CFR 576.405(b) the City consults with the Lynn CoC in making policies and decisions regarding facilities, services, or other assistance that receive funding under ESG, which includes a formerly homeless individual as a Board member.

5. Describe performance standards for evaluating ESG.

DCD and LHAND negotiate formal, performance-based contracts with all sub-recipients:

- Performance-based contracts include specific performance goals related to the City's Consolidated Plan and Annual Action Plan strategic objectives.
- Performance-based contracts include reporting requirements related to participation rates and low-

moderate income household participation. DCD and LHAND monitor and collect data on sub-recipient performance. For sub-recipients of ESG funds, DCD conducts annual evaluations at the sub-recipients' sites. It includes a site and facility tour and interviews with program staff. DCD also collects quarterly data on household profiles, participation rates and low/moderate income benefit levels. The City's policy is to count individuals served by a specific agency only once each year. LHAND is responsible for reporting household information for families and individuals participating in prevention activities under the Emergency Solutions Grant.
